1. Q: I'm reaching out to ask whether there might be any flexibility to extend the application deadline, even briefly. Many charter schools are managing several other grant applications due on September 29, September 30, and October 1. In addition, the DC Public Charter School Leaders Meeting on September 29 will require the participation of many school leaders.

I'm sure there is significant interest in applying for this new DBH grant. At the same time, because notice of the opportunity was provided only last week, the current timeline provides limited time to prepare a thoughtful, high-quality application.

Would you consider extending the deadline for a few days? If that is not possible, an extension to 11:59 p.m. on October 1 would be greatly appreciated.

Answer: There will not be an extension to the submission deadline for RFA RM0 SBH091826. The submission deadline remains Thursday, October 1, 2026 by 12:00 PM ET.
