

3RD ANNUAL BEHAVIORAL HEALTH SUNDAY

January 20, 2019

BE ENCOURAGED!

The Mayor's Office of Religious Affairs and Department of Behavioral Health are gathering faith leaders across Washington, DC to raise awareness for mental health and substance use disorder challenges facing individuals, families and the faith community.

Together, we will encourage dialogue that focuses on behavioral health resources available in DC and to celebrate recovery from mental illness and substance use disorder. Be encouraged!

Join us at our host location or at other participating places of worship:

First Baptist Church
712 Randolph Street NW
Washington, DC 20011
Worship Service: 10:50AM
