DC School Behavioral Health Community of Practice (CoP) Events

- The Teacher Wellness Workgroup met on August 12th. The working group of CBO clinicians, teachers and other school staff continued to compile a list of tangible strategies, resources and organizations that other CoP members can use in their work.
- The Community-Based Participatory Research project focused on building effective partnerships between CBOs and schools (July/August).
- DC CoP/SchoolTalk Working Group meetings: Objectives were to explore topics associated with foundations of student behavior, identify underlying assumptions of common practices and discuss what is needed to be different in SY20-21. A summary of the following meetings was produced and avenues for future collaboration to support student behavior were identified:
  o Session 1: Understanding the Landscape (June 30, 2020)
  o Session 2: Visioning a Safe and Supportive School (July 14, 2020)
  o Session 3: Moving to Action (July 28, 2020)

## Progress Updates: Key Project Components / Operational Aspects

### Communication Plan on Expansion and CoP

- We are planning for new infographics based on the summaries of the past meetings and chats.
- The CoP Core and Planning Team met on July 22 and discussed key messages, what we know about key audiences, and channels of distribution. We also discussed creating a communications team.

### Website Development

- Additional resource materials have been added to the website. The new folders include:
  - For Youth;
  - For Families; and

### Promoting/Disseminating Existing Trainings & Resources

- Promoted/disseminated the RestorativeDC & OSSE series on "Preparing for SY20-21 Calendar of Professional Development and Technical Assistance in Restorative Justice" to the DC CoP Community via an email blast.

### TA Providers Practice Group (DBH Clinical Specialists, TA Managers, Project AWARE)

- TA Providers Practice Group (DBH Clinical Specialists, TA Managers, Project AWARE):
  - Developed an outline and co-wrote a TA Provider Guide for use by DBH Clinical Specialists, TA Managers, and Project AWARE staff providing TA to schools and CBOs. Final document expected September 2020.

### Collaboration with Partners and Aligning with Other City-Wide Initiatives

Ongoing collaboration with the following:

- SchoolTalk to develop a working group focused on discipline and behavior and to explore alignment between Restorative Justice and Multi-Tiered Systems of Supports (MTSS).
- The National Center for School Mental Health and the Central East Mental Health Technology Transfer Center (MHTTC) to plan the teaming webinar.
- Nonprofit Wellness to develop a working group focused on teacher wellness.
- Kognito to discuss strategies for ways to adopt required simulation training about improving mental health referral processes (At-Risk for Educators modules).
- The Wendt Center to explore a train-the-trainer approach to build capacity for CoP members to conduct virtual grief groups.
