PART I - THE SCHEDULE
SECTION C
DESCRIPTION/SPECIFICATIONS/ STATEMENT OF WORK

C.1 BACKGROUND/GENERAL REQUIREMENTS:

The Department of Behavioral Health (DBH) provides emergency care and comprehensive mental health and substance use disorder services for eligible District residents through a network of community based providers and unique government delivered behavioral health services. In addition, DBH operates Saint Elizabeths Hospital, the District's Psychiatric Facility.

DBH is seeking Supported Rehabilitative Residence (SRR) Providers who are licensed as a SRR Provider or can demonstrate the capacity to meet SRR licensure designation requirements to meet Contractor Requirements under this Contract. The successful Contractor shall demonstrate the ability to provide intensive residential support and services to Consumers enrolled in the Public Mental Health System, diagnosed with a serious mental illness and in need of intensive behavioral and medical supports within a structured and supervised setting.

The purpose of this effort is to provide culturally and linguistically appropriate residential supports and services to individuals living with serious mental illness in the least restrictive environment. The philosophy of DBH is that Consumer choice is a primary determinant of residential placement decisions. The goal is to assist Consumers to become fully integrated into their community. SRRs are **not** viewed as permanent housing. All housing services must be designed to support a recovery focus and the system must offer the necessary supports that allow people to obtain the skills to move to a more independent setting. The successful Contractor (s) shall be required to develop a Transition Plan which shall include the utilization of the Critical Time Intervention (CTI). The Contractor (s) shall be required to become proficient in CTI, a model to assist individuals in care to move from the SRR to a more independent living environment. DBH's goal is to enable as many individuals as possible to live in Supportive Housing. DBH shall provide the necessary training to enable the Contractor (s) to become familiar with the CTI model.

CPEP provides 24-hours, 7 days a week services to protect clients who are a danger to themselves or others as a result of mental illness, who are unable to meet their basic needs and role functions. In addition, CPEP is committed to providing State of the Art Assessment, Treatment and Linkage in the least restrictive and safe environment.

All prior authorizations/re-authorizations are processed routinely by Care Coordinators or designated staff within the Office of Programs and Policy after the provider adheres to required protocols and submits required data. Some decisions require more in-depth review by the Care Coordinator.
- C.3.11 **Supported Employment** - a system of support for people with disabilities in regards to ongoing employment in integrated settings. Supported employment provides assistance such as job coaches, job development, job retention, transportation, assistive technology, specialized job training and individually tailored supervision. - C.3.12 **Supportive Housing**-this Evidence-based Practice is defined as decent, safe and affordable community-based housing that provides tenants with the rights of tenancy under state and local landlord tenant laws, along with being linked to voluntary and flexible supports and services designed to meet tenants’ needs and preferences. (Permanent Supportive Housing Tool Kit (2010).
- C.3.13 **Supported Rehabilitative Residence (SRR)**-A SRR shall be a homelike setting where residential and rehabilitative services are provided in a publicly or privately owned apartment or house for eight (8) or fewer residents 18 or older, with a primary diagnosis of mental illness and who require twenty four (24) hour on site supervision, personal assistance, lodging, meals and who are not in the custody of the District of Columbia Department of Corrections. A Transition Plan, developed upon admission and followed throughout the person’s stay, shall be used to assist persons in care to live within a more independent living environment within the community. Eligibility for this level of care is dependent upon MHRS eligibility and certification of need for this level of care from the DBH Certification Review Team (CRT).
- C.4.2. One of the principles that guide DBH’s housing policy is that whenever possible an individual should reside in supportive housing setting. The SRR is an essential option for

However, the expectation is that the SRR Provider shall whenever possible integrate the principles of permanent supportive housing into the structure of the SRR. This includes, but is not limited to individuals having access to their living quarters twenty-four hours per day, seven days a week.

- C.4.3 The individuals eligible for this intensive level of care are those who are (1) enrolled in the DBH public mental health system (2) have complex psychiatric, medical and social needs that put them at a high risk of needing a more restrictive setting such as a nursing home and/psychiatric hospital if they do not receive supervision during their awake hours, along with life skills development, community support and the other MHRS services included in their Individual Recovery Plan.

- a. *Term.* The requirements of this HIPAA Compliance Clause shall be effective as of the date of the contract award, and shall terminate when all of the Protected Health Information provided by the Covered Entity to the Business Associate, or created or received by the Business Associate on behalf of the Covered Entity, is confidentially destroyed or returned to the Covered Entity within five (5) business days of its request. The Protected Health Information shall be returned in a format mutually agreed upon by and between the Privacy Official and/or Privacy Officer or his or her designee and the appropriate and duly authorized workforce member of the Business Associate. If it is infeasible to return or confidentially destroy the

Protected Health Information, protections shall be extended to such information, in accordance with the termination provisions in this Section and communicated to the Privacy Official or Privacy Officer or his or her designee. The requirement to return Protected Health Information to the District at the end of the contract term or if the contract is terminated applies irrespective of whether the Business Associate is also a covered entity under HIPAA. Where a business associate is also a covered entity, Protected Health Information provided by the District, or created or received by the Business Associate on behalf of the District, a duplicate of the record may be acceptable if mutually agreed.

- b. *Termination for Cause.* Upon the Covered Entity's knowledge of a material breach of this HIPAA Compliance Clause by the Business Associate, the Covered Entity shall either:

If neither termination nor cure is feasible, the Covered Entity shall report the violation to the Secretary.

- c. *Effect of Termination.*
 - i. Except as provided in paragraph (ii) of this section, upon termination of the Contract, for any reason, the Business Associate shall return in a mutually agreed upon format or confidentially destroy all Protected Health Information received from the Covered Entity, or created or received by the Business Associate on behalf of the Covered Entity within five (5) business days of termination. This provision shall apply to Protected Health Information that is in the possession of ALL subcontractors, agents or workforce members of the Business Associate. The Business Associate shall retain no copies of Protected Health Information in any form.
 - ii. In the event that the Business Associate determines that returning or destroying the Protected Health Information is infeasible, the Business Associate shall provide to the Covered Entity written notification of the conditions that make the return or confidential destruction infeasible. Upon determination by the agency Privacy Officer that the return or confidential destruction of the Protected Health Information is infeasible, the Business Associate shall extend the protections of this HIPAA Compliance Clause to such Protected Health Information and limit further uses and disclosures of such Protected Health Information for so long as the Business Associate maintains such Protected Health Information. Additionally, the Business Associate shall:

- (1) Retain only that protected health information which is necessary for business associate to continue its proper management and administration or to carry out its legal responsibilities;
- (2) Return to covered entity or, if agreed to by covered entity, destroy the remaining protected health information that the business associate still maintains in any form;
- (3) Continue to use appropriate safeguards and comply with Subpart C of 45 CFR Part 164 with respect to electronic protected health information to prevent use or disclosure of the protected health information, other than as provided for in this Section, for as long as business associate retains the protected health information;
- (4) Not use or disclose the protected health information retained by business associate other than for the purposes for which such protected health information was retained and subject to the same conditions set out which applied prior to termination; and
- (5) Return to covered entity or, if agreed to by covered entity, destroy the protected health information retained by business associate when it is no longer needed by business associate for its proper management and administration or to carry out its legal responsibilities.

The obligations outlined in Section 2. Obligations and Activities of Business Associate shall survive the termination of this Contract.

Except for provisions required by law as defined herein, no provision hereof shall be deemed waived unless in writing and signed by duly authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any other right or remedy under this HIPAA Compliance Clause.

The terms of this HIPAA Compliance Clause amend and supplement the terms of the Contract, and whenever possible, all terms and conditions in this HIPAA Compliance Clause are to be harmonized. In the event of a conflict between the terms of the HIPAA Compliance Clause and the terms of the Contract, the terms of this HIPAA Compliance Clause shall control; provided, however, that this HIPAA Compliance Clause shall not supersede any other federal or District of Columbia law or regulation governing the legal relationship of the Parties, or the confidentiality of records or information, except to the extent that the Privacy Rule preempts those laws or regulations. In the event of any conflict between the provisions of the Contract (as amended by this HIPAA Compliance Clause) and the Privacy Rule, the Privacy Rule shall control.

- e. *No Third-Party Beneficiaries.* The Covered Entity and the Business Associate are the only parties to this HIPAA Compliance Clause and are the only parties entitled to enforce its terms. The Covered Entity and the Business Associate expressly waive any and all rights to initiate litigation, arbitration, mediation, negotiations and/or similar proceedings outside the physical boundaries of the District of Columbia and expressly consent to the jurisdiction of the above tribunals.
- h. *Indemnification.* The Business Associate shall indemnify, hold harmless and defend the Covered Entity from and against any and all claims, losses, liabilities, costs, and other expenses incurred as a result or arising directly or indirectly out

of or in connection with (a) any misrepresentation, breach of warranty or non-fulfillment of any undertaking of the Business Associate under this HIPAA Compliance Clause; and (b) any claims, demands, awards, judgments, actions and proceedings made by any person or organization, arising out of or in any way connected with the performance of the Business Associate under this HIPAA Compliance Clause.

- i. *Injunctive Relief.* Notwithstanding any rights or remedies under this HIPAA Compliance Clause or provided by law, the Covered Entity retains all rights to seek injunctive relief to prevent or stop the unauthorized use or disclosure of Protected Health Information by the Business Associate, its workforce, any of its subcontractors, agents, or any third party who has received Protected Health Information from the Business Associate.

I.19 **DISPUTES:** (Interim PPRA Version, July 2011) (Delete Article 14, Disputes, of the General Provisions, of the Standard Contract Provisions for use with Specifications for District of Columbia Government Supplies and Services Contracts, Revised March 2007 and substitute the following Article 1.19, Disputes)

1.19.1 All disputes arising under or relating to this contract shall be resolved as provided herein.

1.19.2 Claims by a Contractor against the District:

Claim, as used in paragraph 1.19.2 of this clause, means a written assertion by the Contractor seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to this contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant.

1.19.2.1 All claims by a Contractor against the District arising under or relating to a contract shall be in writing and shall be submitted to the Director/ACCO for a decision. The Contractor's claim shall contain at least the following:

1.19.2.1.1 A description of the claim and the amount in dispute;

1.19.2.1.2 Data or other information in support of the claim;

1.19.2.1.3 A brief description of the Contractor's efforts to resolve the dispute prior to filing the claim; and

1.19.2.1.4 The Contractor's request for relief or other action by the Director/ACCO.

1.19.2.2 The Director/ACCO may meet with the Contractor in a further attempt to resolve the claim by agreement.

1.19.2.3 The Director/ACCO shall issue a decision on any claim within 120 calendar days after receipt of the claim. Whenever possible, the Director/ACCO shall take into account factors such as the size and complexity of the claim and the adequacy of the information in support of the claim provided by the Contractor.

1.19.2.4 The Director/ACCO's written decision shall do the following:

1.19.2.4.1 Provide a description of the claim or dispute;

1.19.2.4.2 Refer to the pertinent contract terms;

1.19.2.4.3 State the factual areas of agreement and disagreement.

1.19.2.4.4 State the reasons for the decision, including any specific findings of fact, although specific findings of fact are not required and, if made, shall not be binding in any subsequent proceeding;

1.19.2.4.5 If all or any part of the claim is determined to be valid, determine the amount of monetary settlement, the contract adjustment to be made, or other relief to be granted;

1.19.2.4.6 Indicate that the written document is the Director/ACCO's final decision; and

1.19.2.4.7 Inform the Contractor of the right to seek further redress by appealing the decision to the Contract Appeals Board.

- 1.19.2.5 Failure by the Director/ACCO to issue a decision on a contract claim within 120 days of receipt of the claim will be deemed to be a denial of the claim, and will authorize the commencement of an appeal to the Contract Appeals Board as provided by D.C. Official Code § 2-360.04.
 - 1.19.2.5.1 If a Contractor is unable to support any part of his or her claim and it is determined that the inability is attributable to a material misrepresentation of fact or fraud on the part of the Contractor, the Contractor shall be liable to the District for an amount equal to the unsupported part of the claim in addition to all costs to the District attributable to the cost of reviewing that part of the Contractor's claim.
 - 1.19.2.5.2 Liability under Paragraph 1.19.2.5.1 shall be determined within six (6) years of the commission of the misrepresentation of fact or fraud.
- 1.19.2.6 Pending final decision of an appeal, action, or final settlement, the Contractor shall proceed diligently with performance of the contract in accordance with the decision of the Director/ACCO.

1.19.3 Claims by the District against a Contractor:

- 1.19.3.1 Claim as used in paragraph 1.19.3 of this clause, means a written demand or written assertion by the District seeking, as a matter of right, the payment of money in a sum certain, the adjustment of contract terms, or other relief arising under or relating to this contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant.
- 1.19.3.2 The Director/ACCO shall decide all claims by the District against a contractor arising under or relating to a contract.
 - 1.19.3.2.1 The Director/ACCO shall send written notice of the claim to the Contractor. The Director/ACCO's written decision shall do the following:

 - 1.19.3.2.1.3 State the factual areas of agreement and disagreement;

 - 1.19.3.2.1.5 If all or any part of the claim is determined to be valid, determine the amount of monetary settlement, the

contract adjustment to be made, or other relief to be granted;

1.19.3.2.1.6 Indicate that the written document is the Director/ACCO's final decision; and

1.19.3.2.1.7 Inform the Contractor of the right to seek further redress by appealing the decision to the Contract Appeals Board.

1.19.3.3 The Director/ACCO shall support the decision by reasons and shall inform the Contractor of its rights as provided herein.

1.19.3.4 Before or after issuing the decision, the Director/ACCO may meet with the Contractor to attempt to resolve the claim by agreement

1.19.3.5 The authority contained in this clause 1.19.3 shall not apply to a claim or dispute for penalties or forfeitures prescribed by statute or regulation which another District agency is specifically authorized to administer, settle, or determine.

1.19.3.6 This clause shall not authorize the Director/ACCO to settle, compromise, pay, or otherwise adjust any claim involving fraud.

1.19.4 Decisions of the Director/ACCO shall be final and not subject to review unless the Contractor timely commences an administrative appeal for review of the decision, by filing a complaint with the Contract Appeals Board, as authorized by D.C. Official Code § 2-360.04.

1.19.5 Pending final decision of an appeal, action, or final settlement, the Contractor shall proceed diligently with performance of the contract in accordance with the decision of the Director/ACCO.

M.7 CLAUSES APPLICABLE TO ALL OPEN MARKET SOLICITATIONS

M.7.1 Preference for Subcontracting to Open Market solicitations with No LBE, DEB, RBO Subcontracting Set Aside

A. Preference for Local Businesses, Disadvantaged Businesses, Resident Business Ownerships or Businesses Operation in an Enterprise Zone.

1. General Preferences

Under the provisions of D.C. Law 13-169, "Equal Opportunity for Local, Small, or Disadvantaged Business Enterprises Amendment Act of 2000" (the "Act", as used in this section), the District shall apply preferences in evaluating offers from businesses that are local, disadvantaged, resident business ownership or located in an enterprise zone of the District of Columbia.

For evaluation purposes, the allowable preferences under the Act for this procurement are as follows:

1. Four percent reduction in the bid price or the addition of four points on a 100-point scale for a local business enterprise (LBE) certified by the Local Business Opportunity Commission (LBOC);
2. Three percent reduction in the bid price or the addition of three points on a 100-point scale for a disadvantaged business enterprise (DBE) certified by the LBOC;
3. Three percent reduction in the bid price or the addition of three points on a 100-point scale for a resident business ownership (RBO), as defined in Section 2 (a)(8A) of the Act, and certified by the LBOC; and
4. Two percent reduction in the bid price or the addition of two points on a 100-point scale for a business located in an enterprise zone, as defined in Section 2(5) of D.C. Law 12-268 and in 27 DCMR 899, 39 DCR 9087-9088 (December 4, 1992).

Any prime Contractor that is a LBE certified by the LBOC shall receive a four percent (4%) reduction in bid price for a bid submitted by the LBE in response to an Invitation for Bids (IFB) or the addition of four points on a 100-point scale added to the overall score for bids submitted by the LBE in response to a Request for Proposals (RFP).

Any prime Contractor that is a DBE certified by the LBOC shall receive a three percent (3%) reduction in the bid price for a bid submitted by the DBE in response to an IFB or

the addition of three points on a 100-point scale added to the overall score for proposals submitted by the DBE in response to a RFP.

Any prime Contractor that is a RBO certified by the LBOC shall receive a three percent (3%) reduction in the bid price for a bid submitted by the RBO in response to an IFB or the addition of three points on a 100-point scale added to the overall score for proposals submitted by the RBO in response to a RFP.

Any prime Contractor that is a business enterprise located in an enterprise zone shall receive a two percent (2%) reduction in bid price for a bid submitted by such business enterprise in response to an IFB or the addition of two points on a 100-point scale added to the overall score for proposals submitted by such business in response to a RFP.

B. Preferences for Subcontracting in Open Market Solicitations with No LBE, DBE, RBO Subcontracting Set Aside

The preferences for subcontracting in open market solicitations where there is no LBE, DBE or RBO subcontracting set aside are as follows:

1. If the prime Contractor is not a certified LBE, certified DBE, certified RBO or a business located in the enterprise in an enterprise zone, the District shall award the above-stated preferences by reducing the bid price or by increasing the points proportionally based on the total dollar value of the bid or proposal that is designated by the prime Contractor for subcontracting with a certified LBE, DBE, RBO or business located in an enterprise zone.
2. If the prime Contractor is a joint venture that is not a certified LBE, certified DBE or certified RBO joint venture, or if the prime Contractor is a joint venture that includes a business in an enterprise zone but such business located in an enterprise zone does not own and control at least fifty-one percent (51%) of the joint venture, the District shall award the above-stated preferences by reducing the bid price or by increasing the points proportionally in the proposal based on the total dollar value of the bid or proposal that is designated by the prime Contractor for a certified LBE, DBE, RBO or business located in an enterprise zone, for participation in the joint venture.

For Example:

If a non-certified prime Contractor subcontracts with a certified local business enterprise for a percentage of the work to be performed on an RFP, the calculation of the percentage points to be added during evaluation would be according to the following formula:

$$\frac{\text{Amount of Subcontract}}{\text{Amount of Contract}} \times 4* = \text{Points Awarded for Evaluating LSDBE Subcontracting}$$

*Note: Equivalent of four (4) points on a 100 point scale

The maximum total preference under the act of this procurement is twelve percent (12%) for bids submitted in response to an IFB or the equivalent of twelve (12) points on a 100-point scale for proposals submitted in response to a RFP. Any prime Contractor receiving the full bid price reduction or point addition to its overall score for a particular preference shall not receive any additional bid price reduction or points for further participation on a subcontracting level for that particular preference.

However, the prime Contractor shall receive a further proportional bid price reduction or point addition on a different preference for participation on a subcontracting level for that different preference. For example, if a LBE prime Contractor receives the four percent bid price reduction or the equivalent of four points on a 100-point scale, the LBE prime Contractor does not receive a further price reduction or additional points if such Contractor proposes subcontracting with an LBE. However, if this same LBE prime Contractor proposes subcontracting with a DBE, the LBE prime Contractor receives a further proportional bid price reduction or point addition for the DBE participation on the subcontracting level.

C. Preferences for Open Market Solicitation with LBE, DBE or RBO Subcontracting Set Aside

If the solicitation is an open market solicitation with LBE, DBE or RBO subcontracting set-aside, the prime Contractor shall receive the LBE, DBE, or RBO preferences only if it is a certified LBE, DBE or RBO. There shall be no preference awarded for subcontracting by the prime Contractor with a LBE, DBE or RBO, even if the prime Contractor proposes LBE, DBE, or RBO subcontracting above the subcontracting levels required by the solicitation. However, the prime Contractor shall be entitled to the full preference for business located in an enterprise zone if it is a business located in an enterprise zone or a proportional preference if the prime Contractor subcontracts with a business located in an enterprise zone.

The maximum total preference under the Act for this procurement is twelve percent (12%) for bids submitted in response to an IFB or the equivalent of twelve (12) points on a 100 point scale for proposals submitted in response to a RFP.

D. Preferences for Certified Joint Ventures Including Local or Disadvantaged Businesses or Resident Business Ownerships

When an LBOC-certified joint venture includes a local business enterprise (LBE), disadvantaged business enterprise (DBE) or a resident business ownership (RBO), and the LBE, DBE or RBO owns and controls at least fifty-one percent (51%) of the venture, the joint venture shall receive the preference as if it were a certified LBE, DBE or RBO.

E. Preference for joint Ventures Including Businesses located in an Enterprise Zone

When a joint venture includes a business located in an enterprise zone, and such business located in an enterprise zone owns and controls at least fifty-one percent (51%) of the venture, the joint venture shall receive the preferences as if it were a business located in an enterprise zone.

1. Vendor Submission for Preferences

Any vendor seeking to receive preferences on this Contract must submit at the time of, and as part of its bid or proposal the following documentation, as applicable to the preference being sought:

- (a) Evidence of the vendor's, sub Contractor's, or joint venture partner's certification or self-certification as a LBE, DBE, or RBO, to include either:
 - (1) A copy of all relevant letters of certification from the Local Business Opportunity Commission (LBOC); or
 - (2) A copy of the sworn notarized Self-Certification Form prescribed by the LBOC, along with an acknowledgement letter issued by the Director of the LBOC. Businesses with principal offices located outside of the District of Columbia must first be certified as LBEs before qualifying for self-certification.
- 2. Evidence that the vendor or any sub Contractor is located in an enterprise zone.

In order for an Contractor to receive allowable preferences under this Contract, the Contractor must include the relevant information as described in subparagraphs (a) and (b) of this clause, as part of its proposal.

Refer to J.2.1 for the Self-Certification Package. In order to receive any preferences under this Contract, any vendor seeking self-certification must complete and submit the forms to:

Office of Local Business Development
ATTN: LSDBE Certification Program
441 Fourth Street, N.W., Suite 970N
Washington, DC 20001

All vendors are encouraged to contact the Local, Small and Disadvantaged Business Enterprises Certification Program at (202) 727-3900 if additional information is required on certification procedures and requirements.

Penalties for Misrepresentation

Any material misrepresentation on the sworn notarized self-certification form could result in termination of the contract, the Contractor's liability for civil and criminal action in accordance with the Act, D.C. Law 12-268, and other District laws, including debarment.

Local, Small, and Disadvantaged Business Enterprise Subcontracting

When a prime Contractor is certified by the Office of Local Business Development as a local, small or disadvantaged business or a resident business ownership, the prime Contractor shall perform at least fifty percent (50%) of the contracting effort, excluding the cost of materials, good, and supplies with its own organization resources, and if it subcontracts, fifty percent (50%) of the subcontracting effort, excluding the cost of materials, goods, and supplies shall be with certified local, small or disadvantaged

business enterprises and resident business ownerships, unless a waiver is granted by the Contracting Officer, with prior approval and consent of the Director of the LBOC under the provisions of 27 DCMR 805, 39 DCR 5578-5580 (July 24, 1992).

By submitting a signed bid or proposal, the prime Contractor certifies that it shall comply with the requirements of paragraph (a) of this clause.
