SECTION C: DESCRIPTION/SPECIFICATIONS/WORK STATEMENT**C.1 BACKGROUND/GENERAL REQUIREMENTS**

- C.1.1** The Department of Behavioral Health (DBH) is a cabinet level agency in the District of Columbia that reports directly to the Mayor. The DBH provides emergency care and comprehensive mental health services and supports to District residents. More than 22,000 adults, children, and youth and their families are served each year through a network of community based providers and unique government delivered services. It operates at Saint Elizabeths Hospital, the Districts inpatient psychiatric facility, the Comprehensive Psychiatric Evaluation Program (CPEP), the Mental Health Services Division and a network of certified Core Service Agencies (CSA) that provide an array of community based mental health services. DBH is the State Mental Health Authority under District law.
- C.1.2** DBH is seeking Mental Health Community Residential Facility (MHCRF) providers with the ability to deliver services to adults and transitional age youth with a mental illness and substance use disorders or other co-occurring conditions who need highly structured residential supports and services in order to successfully live independently in the community. The successful Contractor shall demonstrate the ability to provide transitional residential support and services to Consumers enrolled in the public mental health system, diagnosed with a serious mental illness and in need of behavioral and psycho educational supports in order to make a successful transition to permanent supportive housing (PSH).
- C.1.3** The purpose of this type of residential program is to provide short term assistance and support to individuals with the potential to live independently but lack the essential skills necessary to move immediately to permanent supportive housing. The successful Contractor shall develop an individualized transition plan for each consumer enrolled in the program that assists him/her in developing the essential skills required to progress in his/her recovery and live in an integrated setting within the community. The intent is to enable individuals with serious mental illness to live a more normalized lifestyle.
- C.1.4** The maximum length of stay for consumers in the Transitional Housing program is one year. It is anticipated that that the process of transitioning the individual to the community shall occur within six (6) to nine (9) months of enrollment. The expectation is that the Contractor shall create an individualized Transition Plan for the consumer upon admission. The Contractor shall be required to provide the necessary support to ensure a successful transition to independent living by the conclusion of the one-year enrollment period. The Contractor shall be able to bill for transition services until the date upon which the consumer is discharged from the program.

*Transitional Residential Services (TRS)**Solicitation: RM-16-RFP-TRS-200-XXX-BY4-SC***C.2 MISSION AND PHILOSOPHY**

The purpose of this effort is to provide culturally and linguistically appropriate transitional residential supports and services to severe and persistently mentally ill Consumers in the least restrictive environment. The philosophy of DBH is that Consumer choice is a primary determinant of residential placement decisions. Contract Mental Health Transitional Residential Services Facilities must be designed to support a recovery focus. The goal is to assist Consumers to become fully integrated into their community. Transitional Residential placements are intended to be temporary, with an average length of stay of six months to one year. For this reason, the Contractor must continuously assess and document the need for a Contracted Mental Health Transitional Residential Services Facility placement and proactively plan for less intensive levels of residential care in partnership with the individual.

destroyed or returned to the Covered Entity within five (5) business days of its request. The Protected Health Information shall be returned in a format mutually agreed upon by and between the Privacy Official and/or Privacy Officer or his or her designee and the appropriate and duly authorized workforce member of the Business Associate. If it is infeasible to return or confidentially destroy the Protected Health Information, protections shall be extended to such information, in accordance with the termination provisions in this Section and communicated to the Privacy Official or Privacy Officer or his or her designee. The requirement to return Protected Health Information to the District at the end of the contract term or if the contract is terminated applies irrespective of whether the Business Associate is also a covered entity under HIPAA. Where a business associate is also a covered entity, Protected Health Information provided by the District, or created or received by the Business Associate on behalf of the District, a duplicate of the record may be acceptable if mutually agreed.

If neither termination nor cure is feasible, the Covered Entity shall report the violation to the Secretary.

- c. *Effect of Termination.*
 - i. Except as provided in paragraph (ii) of this section, upon termination of the Contract, for any reason, the Business Associate shall return in **a mutually agreed upon format or confidentially destroy** *[delete bolded material and insert negotiated terms and conditions if applicable]* all Protected Health Information received from the Covered Entity, or created or received by the Business Associate on behalf of the Covered Entity within five (5) business days of termination. This provision shall apply to Protected Health Information that is in the possession of ALL subcontractors, agents or workforce members of the Business Associate. The Business Associate shall retain no copies of Protected Health Information in any form.
 - ii. In the event that the Business Associate determines that returning or destroying the Protected Health Information is infeasible, the Business Associate shall provide to the Covered Entity written notification of the conditions that make the return or confidential destruction infeasible. Upon determination by the agency Privacy Officer that the return or confidential destruction of the Protected Health Information is infeasible, the Business Associate shall extend the protections of this HIPAA Compliance Clause to such Protected Health Information and limit further uses and disclosures of such Protected Health

- (1) Retain only that protected health information which is necessary for business associate to continue its proper management and administration or to carry out its legal responsibilities;
- (2) Return to covered entity [or, if agreed to by covered entity, destroy] the remaining protected health information that the business associate still maintains in any form;
- (3) Continue to use appropriate safeguards and comply with Subpart C of 45 CFR Part 164 with respect to electronic protected health information to prevent use or disclosure of the protected health information, other than as provided for in this Section, for as long as business associate retains the protected health information;
- (4) Not use or disclose the protected health information retained by business associate other than for the purposes for which such protected health information was retained and subject to the same conditions set out at [Insert section number related to paragraphs (e) and (f) above under “Permitted Uses and Disclosures By Business Associate”] which applied prior to termination; and
- (5) Return to covered entity [or, if agreed to by covered entity, destroy] the protected health information retained by business associate when it is no longer needed by business associate for its proper management and administration or to carry out its legal responsibilities.

The obligations outlined in Section 2. Obligations and Activities of Business Associate shall survive the termination of this Contract.

H.3.10 Miscellaneous

- b. *Amendment.* The Parties agree to take such action as is necessary to amend this HIPAA Compliance Clause from time to time as is necessary for the Covered Entity to comply with the requirements of the Privacy Rule and HIPAA. Except for provisions required by law as defined herein, no provision hereof shall be deemed waived unless in writing and signed by duly authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any other right or remedy under this HIPAA Compliance Clause.
- c. *Survival.* The respective rights and obligations of the Business Associate under Section 9. Term and Termination of this HIPAA Compliance Clause and Sections 9 and 20 of the Standard Contract Provisions for use with the District of Columbia

Government Supply and Services Contracts, effective March 2007, shall survive termination of the Contract.

- d. *Interpretation.* Any ambiguity in this HIPAA Compliance Clause shall be resolved to permit compliance with applicable federal and District of Columbia laws, rules and regulations, and the HIPAA Rules, and any requirements, rulings, interpretations, procedures, or other actions related thereto that are promulgated, issued or taken by or on behalf of the Secretary; provided that applicable federal and District of Columbia laws, rules and regulations shall supersede the Privacy Rule if, and to the extent that they impose additional requirements, have requirements that are more stringent than or provide greater protection of patient privacy or the security or safeguarding of Protected Health Information than those of the HIPAA Rules.

The terms of this HIPAA Compliance Clause amend and supplement the terms of the Contract, and whenever possible, all terms and conditions in this HIPAA Compliance Clause are to be harmonized. In the event of a conflict between the terms of the HIPAA Compliance Clause and the terms of the Contract, the terms of this HIPAA Compliance Clause shall control; provided, however, that this HIPAA Compliance Clause shall not supersede any other federal or District of Columbia law or regulation governing the legal relationship of the Parties, or the confidentiality of records or information, except to the extent that the Privacy Rule preempts those laws or regulations. In the event of any conflict between the provisions of the Contract (as amended by this HIPAA Compliance Clause) and the Privacy Rule, the Privacy Rule shall control.

- e. *No Third-Party Beneficiaries.* The Covered Entity and the Business Associate are the only parties to this HIPAA Compliance Clause and are the only parties entitled to enforce its terms. Except for the rights of Individuals, as defined herein, to have access to and amend their Protected Health Information, and to an accounting of the uses and disclosures thereof, in accordance with Paragraphs (2)(f), (g) and (j), nothing in the HIPAA Compliance Clause gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly, or otherwise, to third persons.
- f. *Compliance with Applicable Law.* The Business Associate shall comply with all federal and District of Columbia laws, regulations, executive orders and ordinances, as they may be amended from time to time during the term of this HIPAA Compliance Clause and the Contract; to the extent they are applicable to this HIPAA Compliance Clause and the Contract.
- g. *Governing Law and Forum Selection.* This Contract shall be construed broadly to implement and comply with the requirements relating to the Privacy Rule, and other applicable laws and regulations. The Covered Entity and the Business Associate expressly waive any and all rights to initiate litigation, arbitration,

I.13.2.5 Failure by the Director/ACCO to issue a decision on a contract claim within 120 days of receipt of the claim will be deemed to be a denial of the claim, and will authorize the commencement of an appeal to the Contract Appeals Board as provided by D.C. Official Code § 2-360.04.

I.13.2.5.1 If a Contractor is unable to support any part of his or her claim and it is determined that the inability is attributable to a material misrepresentation of fact or fraud on the part of the Contractor, the Contractor shall be liable to the District for an amount equal to the unsupported part of the claim in addition to all costs to the District attributable to the cost of reviewing that part of the Contractor's claim.

I.13.2.5.2 Liability under Paragraph **I.13.2.5.1** shall be determined within six (6) years of the commission of the misrepresentation of fact or fraud.

I.13.2.6 Pending final decision of an appeal, action, or final settlement, the Contractor shall proceed diligently with performance of the contract in accordance with the decision of the Director/ACCO.

I.13.3.2.1.7 Inform the Contractor of the right to seek further redress by appealing the decision to the Contract Appeals Board.

I.13.3.3 The Director/ACCO shall support the decision by reasons and shall inform the Contractor of its rights as provided herein.

ATTACHMENT J.10**LOCUS LEVEL OF CARE DESCRIPTIONS**

The LOCUS Level of Care is being used by DBH to differentiate reimbursement rates for Consumers receiving active Residential Services, not to pre-determine what Residential Services an individual Consumer shall need. The LOCUS covers six life dimensions and serves as a guideline for clinical teams rather than a definitive service identification tool. The difference in services provided at each LOCUS level is most often one of service intensity rather than type or category of service. Therefore, the following "descriptions" of level of care needs of the different LOCUS levels shall be general, shall address more than just "residential" related services and shall primarily include differing intensity of services.

The LOCUS levels correspond to the following residential service categories: Residential Services (LOCUS Five and Six); Transitional (LOCUS Level Four); formerly Supported Independent Living Plus (LOCUS Level 3) and Supported Independent Living (always referenced as SIL) and negotiated reduced fees to reflect the lower intensity of required supervision, reduction in the number of required slots (beds) and the reduction in cost.

Level Three:

This level is for the client that needs more intensive attention, structure, and contact, usually several days per week, for several hours per day. The requirements for the care environment are not significantly more complex than other outpatient services. However, there shall be greater capacity to provide clinical services, and greater availability of clinicians. Case management is something that is used more extensively at this level of care. Mobile service capability, day care, and rehabilitation services are often part of the treatment plan at this level as well.

Level Four:

This level of care refers to services provided to Consumers capable of living in the community either in supportive or independent settings, but whose treatment needs require intensive management by a multi-disciplinary treatment team. For those Consumers in Residential Services, there is clear evidence that he/she continues to benefit from 24-hour structured Residential Services and is progressing towards more independent living. It may be that the person requires monitoring and/or prompting to complete some independent living skills and is learning additional needed skills, or he/she requires intensive supervision due to an acute manifestation of psychiatric symptoms (among many examples). Community Support services should be integrated with the on site treatment team. Liaison with mutual support networks and individual groups, facilitation of recreational and social activities, and coordination with educational or vocational programming shall also be available according to the person's needs.

Transitional Residential Services (TRS)***Solicitation: RM-16-RFP-TRS-200-XXX-BY4-SC*****Level Five:**

This level of care has traditionally been provided in non-hospital, free-standing facilities based in the community. Consumers may demonstrate poor self-preservation skills, independent living skills, or reality testing (among many other examples). At a minimum, Consumers require direct supervision of activities of daily living and custodial care may be provided to designated populations at this level. Staff shall facilitate recreational and social activities and coordinate interface with educational and rehabilitative programming provided offsite. Community Support services shall be integrated with the on site treatment team. Liaison with mutual support networks and individual groups, facilitation of recreational and social activities, and coordination with educational or vocational programming shall also be available according to the person's needs.

Level Six:

This is the most intense level of care of the LOCUS continuum. Level six services have traditionally been provided in hospital settings, but could be provided in free-standing non-hospital settings with appropriate supports. The clinical team shall need to maintain an active status in the Consumer's daily life. Persons needing this level of care often need intensive supervision due to acute and severe psychiatric symptoms, however, other factors could contribute to this level of need. Often a short-term, very intensive team approach is needed to support a person at this level of need.

M.7 PREFERENCE 12 Points**M.8 TOTAL 112 Points****M.9 CLAUSES APPLICABLE TO ALL OPEN MARKET SOLICITATION****Preference for Subcontracting to Open Market solicitations with No LBE, DEB, RBO Subcontracting Set Aside**

- A. Preference for Local Businesses, Disadvantaged Businesses, Resident Business Ownerships or Businesses Operation in an Enterprise Zone.

1. General Preferences

Under the provisions of D.C. Law 13-169, "Equal Opportunity for Local, Small, or Disadvantaged Business Enterprises Amendment Act of 2000" (the "Act", as used in this section), the District shall apply preferences in evaluating offers from businesses that are local, disadvantaged, resident business ownership or located in an enterprise zone of the District of Columbia.

Transitional Residential Services (TRS)***Solicitation: RM-16-RFP-TRS-200-XXX-BY4-SC***

For evaluation purposes, the allowable preferences under the Act for this procurement are as follows:

1. Four percent reduction in the bid price or the addition of four points on a 100-point scale for a local business enterprise (LBE) certified by the Local Business Opportunity Commission (LBOC);
2. Three percent reduction in the bid price or the addition of three points on a 100-point scale for a disadvantaged business enterprise (DBE) certified by the LBOC;
3. Three percent reduction in the bid price or the addition of three points on a 100-point scale for a resident business ownership (RBO), as defined in Section 2 (a)(8A) of the Act, and certified by the LBOC; and
4. Two percent reduction in the bid price or the addition of two points on a 100-point scale for a business located in an enterprise zone, as defined in Section 2(5) of D.C. Law 12-268 and in 27 DCMR 899, 39 DCR 9087-9088 (December 4, 1992).

Any prime Contractor that is a LBE certified by the LBOC shall receive a four percent (4%) reduction in bid price for a bid submitted by the LBE in response to an Invitation for Bids (IFB) or the addition of four points on a 100-point scale added to the overall score for bids submitted by the LBE in response to a Request for Proposals (RFP).

Any prime Contractor that is a DBE certified by the LBOC shall receive a three percent (3%) reduction in the bid price for a bid submitted by the DBE in response to an IFB or the addition of three points on a 100-point scale added to the overall score for proposals submitted by the DBE in response to a RFP.

Any prime Contractor that is a RBO certified by the LBOC shall receive a three percent (3%) reduction in the bid price for a bid submitted by the RBO in response to an IFB or the addition of three points on a 100-point scale added to the overall score for proposals submitted by the RBO in response to a RFP.

Any prime Contractor that is a business enterprise located in an enterprise zone shall receive a two percent (2%) reduction in bid price for a bid submitted by such business enterprise in response to an IFB or the addition of two points on a 100-point scale added to the overall score for proposals submitted by such business in response to a RFP.

B. Preferences for Subcontracting in Open Market Solicitations with No LBE, DBE, RBO Subcontracting Set Aside

The preferences for subcontracting in open market solicitations where there is no LBE, DBE or RBO subcontracting set aside are as follows:

1. If the prime Contractor is not a certified LBE, certified DBE, certified RBO or a business located in the enterprise in an enterprise zone, the District shall award the above-stated preferences by reducing the bid price or by increasing the points proportionally based on

Transitional Residential Services (TRS)**Solicitation: RM-16-RFP-TRS-200-XXX-BY4-SC**

the total dollar value of the bid or proposal that is designated by the prime Contractor for subcontracting with a certified LBE, DBE, RBO or business located in an enterprise zone.

2. If the prime Contractor is a joint venture that is not a certified LBE, certified DBE or certified RBO joint venture, or if the prime Contractor is a joint venture that includes a business in an enterprise zone but such business located in an enterprise zone does not own and control at least fifty-one percent (51%) of the joint venture, the District shall award the above-stated preferences by reducing the bid price or by increasing the points proportionally in the proposal based on the total dollar value of the bid or proposal that is designated by the prime Contractor for a certified LBE, DBE, RBO or business located in an enterprise zone, for participation in the joint venture.

For Example:

If a non-certified prime Contractor subcontracts with a certified local business enterprise for a percentage of the work to be performed on an RFP, the calculation of the percentage points to be added during evaluation would be according to the following formula:

$$\frac{\text{Amount of Subcontract}}{\text{Amount of Contract}} \times 4* = \text{Points Awarded for Evaluating LSDBE Subcontracting}$$

*Note: Equivalent of four (4) points on a 100 point scale

The maximum total preference under the act of this procurement is twelve percent (12%) for bids submitted in response to an IFB or the equivalent of twelve (12) points on a 100-point scale for proposals submitted in response to a RFP. Any prime Contractor receiving the full bid price reduction or point addition to its overall score for a particular preference shall not receive any additional bid price reduction or points for further participation on a subcontracting level for that particular preference.

However, the prime Contractor shall receive a further proportional bid price reduction or point addition on a different preference for participation on a subcontracting level for that different preference. For example, if a LBE prime Contractor receives the four percent bid price reduction or the equivalent of four points on a 100-point scale, the LBE prime

Contractor does not receive a further price reduction or additional points if such Contractor proposes subcontracting with an LBE. However, if this same LBE prime Contractor proposes subcontracting with a DBE, the LBE prime Contractor receives a further proportional bid price reduction or point addition for the DBE participation on the subcontracting level.

C. Preferences for Open Market Solicitation with LBE, DBE or RBO Subcontracting Set Aside

If the solicitation is an open market solicitation with LBE, DBE or RBO subcontracting set-aside, the prime Contractor shall receive the LBE, DBE, or RBO preferences only if it is a certified LBE, DBE or RBO. There shall be no preference awarded for subcontracting by the prime Contractor with a LBE, DBE or RBO, even if the prime Contractor proposes LBE, DBE,

Transitional Residential Services (TRS)***Solicitation: RM-16-RFP-TRS-200-XXX-BY4-SC***

or RBO subcontracting above the subcontracting levels required by the solicitation. However, the prime Contractor shall be entitled to the full preference for business located in an enterprise zone if it is a business located in an enterprise zone or a proportional preference if the prime Contractor subcontracts with a business located in an enterprise zone.

The maximum total preference under the Act for this procurement is twelve percent (12%) for bids submitted in response to an IFB or the equivalent of twelve (12) points on a 100 point scale for proposals submitted in response to a RFP.

- D. Preferences for Certified Joint Ventures Including Local or Disadvantaged Businesses or Resident Business Ownerships When an LBOC-certified joint venture includes a local business enterprise (LBE), disadvantaged business enterprise (DBE) or a resident business ownership (RBO), and the LBE, DBE or RBO owns and controls at least fifty-one percent (51%) of the venture, the joint venture shall receive the preference as if it were a certified LBE, DBE or RBO.

- E. Preference for joint Ventures Including Businesses located in an Enterprise Zone

When a joint venture includes a business located in an enterprise zone, and such business located in an enterprise zone owns and controls at least fifty-one percent (51%) of the venture, the joint venture shall receive the preferences as if it were a business located in an enterprise zone.

1. Vendor Submission for Preferences

Any vendor seeking to receive preferences on this Contract must submit at the time of, and as part of its bid or proposal the following documentation, as applicable to the preference being sought:
