

Attachment A – Notice of Eligibility and Experience Requirements

Substance Abuse Prevention Data Evaluation Support DES09064 Notice of Eligibility and Experience Requirements

Eligibility Requirements

Applicants must meet the stated **eligibility** requirements in the RFA. Please describe your organization's eligibility in the applicable boxes below. You may include supporting documents.

Eligible entities who can apply for grant funds under this RFA must:

1. Applicants must be able to enter into an agreement with DBH requiring compliance with all District of Columbia laws and regulations governing Substance Use Disorders and Mental Health Grants (22A DCMR Chapter 44).

Justification:

2. Non-profit research Institutes with documented ability to evaluate SAMHSA Block Grant prevention efforts in the District of Columbia.

Justification:

3. Research Institutes with at least one office location in the District of Columbia.

Justification:

Experience Requirements

Applicants must meet the stated **experience** requirements in the RFA. Please describe your organization's experience in the applicable boxes below. You may include supporting documents.

Eligible entities who can apply for grant funds under this RFA must:

1. Nonprofit research institutes with experience in previously providing data evaluation for both national and community level programs.

Justification:

2. Applicants should have familiarity with the Substance Abuse and Mental Health Services Block grant data structure and provided evaluation for the 1926 Tobacco requirement.

Justification:

3. Applicants must have experience evaluating evidence-based programs and strategies targeting universal, selective and indicated populations as it relates to substance use prevention risk and protective factors.

Justification:

4. Applicants must be able to demonstrate documented ability to create a data dashboard platform which include data indicators that measure demographics, consequences and consumption of alcohol, tobacco and other drug use across the lifespan.

Justification:

5. Applicant must demonstrate past experience in conducting an environmental scan of national and local data sources specific to substance use prevention.

Justification:

6. Applicant must demonstrate past experience in developing and conducting a city-wide telephonic survey to collect standardized data measures at the District and Ward levels of risk and protective factors for substance abuse prevention and interrelated adolescent problems (anxiety and depression, violence, delinquency, poor school performance, teen pregnancy)

Justification:
