

Attachment J – PREVENTIVE INTERVENTIONS

PREVENTIVE INTERVENTIONS				
Evidence-based Practices, Policies, and Programs (EBPPP) for Partnership for Success Grant				
Selections need to address youth and young adults ages 12 to 25, to target substance use, and be adapted in a community setting as part of a comprehensive action plan.				
Name	IOM Category	Brief Description	Outcomes	
EBPPPs for Youth and Families			Alc	MJ
Hip-Hop 2 Prevent Substance Abuse and HIV	Universal - Direct or Selective	Focused on ages 12 to 16 to reduce or prevent substance use and risky sexual activity. There are four sessions in a traditional setting or six in a three day retreat setting.	Affects risk factors	
Project ALERT	Universal - Direct or Selective	This is a 14 lesson prevention program for middle or junior high school students that focuses on alcohol, tobacco, and other drug use.	Y	Y
Too Good for Drugs	Universal - Direct or Selective	Skill development is at the core of Too Good for Drugs, a universal prevention program designed to mitigate the risk factors and enhance protective factors related to alcohol, tobacco, and other drug (ATOD) use. The program introduces and develops social and emotional skills for making healthy choices, building positive friendships, communicating effectively, and resisting peer pressure. Too Good for Drugs teaches five essential social and emotional learning skills, which research has linked with healthy development and academic success.	Y	Y
Guiding Good Choices	Universal	Drug use prevention program that provides parents of children in grades 4 through 8 (9 to 14 years old) with the knowledge and skills needed to guide their children through early adolescence.	Y	Y
Name		IOM Category	Brief Description	
DBH Required Community-Level Environmental Strategy				
Alternative Events		Universal - Indirect	This event/series of events will provide alternate drug and alcohol free events to the youth as a protective factor from substance use. The event will be geared towards activities for youth that will include recreational activities as well as education and information dissemination around substance use prevention. These activities would be implemented, once approved in the work plan.
