

Frequently Asked Questions (FAQ's)

District of Columbia Opioid Responses 3 (DCOR3) Grant Opportunity: Faith-Based Prevention, Outreach and Recovery Grant Opportunity

RFA No. RM0 FPOR041224

April 24, 2024

Please contact Maura Gaswirth at maura.gaswirth@dc.gov if you should have any further questions.

1. Question: Should our initial budget be for the \$100,000 for five months and do we do another budget for 12 months? How do we address this?

Answer: For your application, you should submit a budget for \$100,000 for five months. If option years are exercised (based on availability of funding and sub-grantee performance), they will be funded at \$100,000 per year.

2. Question: If a faith-based organization partners with multiple nonprofits, is the faith-based organization permitted to coordinate larger group events with all nonprofit partners to hold larger events to reach the maximum number of clients?

Answer: Yes, but you can only bill one nonprofit for your agencies' participation in the event.

3. Question: I would like to know if a nonprofit can provide the documentation (Clean Hands Certification, DC Business License, Proof of Insurance, etc.) on behalf of the faith-based organization?

Answer: No, the entity applying for the grant needs to provide the required documentation.
