BACKGROUND & PURPOSE

Background

According to the U.S. Department of Health and Human Services, one in five children and adolescents experience a behavioral health problem during their school years. And it is recognized that most children and youth spend much of their time at school and it is in this natural setting that there is an opportunity to reach many students with behavioral health related prevention, early intervention, and treatment services. The services of a school-based behavioral health program offer a layered multi-tiered array of services that provide a foundation of services for all students, focused interventions for some students at high risk for behavioral health problems; and intensive

services for the few that require that level of service and support. School behavioral health programs support the learning mission of schools through a focus on reducing the barriers to learning. Although there is nationally a growing and unmet need for behavioral health services for children and youth, of those who receive help, nearly two-thirds do so only at school.

Over the past years, Mayor Muriel Bowser has invested funding through DBH to expand into all DC public and public charter schools. Grant funds will support clinicians in providing interventions and supports integral to a multi-tiered school-based behavioral health program, including but not limited to teacher and parent consultation; whole classroom delivery of evidence-based manualized curriculum; social skills-building and problem-solving groups; school team meetings; care coordination, and crisis management. Each school will also be provided funding to support a portion of the supervisor's salary.

For the purposes for this RFA, please use the following definitions, descriptions, and examples as guidance:

Definitions

Community Based Organization (CBO) – a provider agency within the behavioral health sector designed to provide prevention, early intervention, treatment, and continuity of care in communities, addressing community needs and positively impacting population health.

Comprehensive School Behavioral Health Model – is a coordinated behavioral health framework designed to create a positive school culture that promotes mental wellness and provides timely access to high quality services for children, youth, and their families. The model uses a public health model approach as its organizing framework of promotion and primary prevention for all; focused group/individual interventions for some; and intensive support for few.

Comprehensive School-Based Behavioral Health System – a strategic collaboration between school personnel, community behavioral health providers, students, and families to create a positive school culture that provides timely access to high-quality, reliable supports for children, youth, and their families. Teams offer a full array of trauma-informed, culturally- responsive, evidence-based tiered interventions to promote wellness, identify challenges early, and offer treatment services when necessary, so that all children and youth succeed and thrive.

Behavioral Health Coordination Team – comprised of representatives from all health-related Organizations in the school and appropriate school health personnel. Team lead will be assigned by the principal. The team is responsible for ensuring data and updates are provided to DBH to inform the School Behavioral Health Coordinating Council.

Fiscal Year – the District Government's fiscal year runs from October 1 – September 30.

Continuous Quality Improvement (CQI) – ensures a data-driven program implementation process.

In budget backup materials the Applicant should identify the basis for the calculation, addressing one of the following bases that District law permits it to choose:

1. Its current, unexpired, federal Negotiated Indirect Cost Rate Agreement (NICRA) rate, a negotiated rate with the federal government;
- OR

 - a. 10% of the grant's direct costs;
 - b. A new negotiated rate with DBH;
 - c. The same indirect rate that it has used with any District agency in the past 2 years; or
 - d. An independent Certified Public Account's (CPA) calculated rate using federal Office of Management and Budget (OMB) guidelines.

(The cited statute required DBH to provide for at least one of these listed methods. However, the statute excludes the following from the requirement: foundation; hospital; university; college.) If the Applicant proposes to use the services of a nonprofit subgrantee or contractor, it must propose to apply the same indirect cost rate to that entity's services. (See Attachment-1. Award Authorization

1. The Grantee shall not start any activity, expend funds, or request reimbursement for expenditures unless there is a fully executed Agreement and purchase order issued by DBH to the Grantee.
2. The start and end dates for the award shall be the project period indicated on the fully executed NOGA, unless amended by the Department of Behavioral Health. The project period is the total time DBH has programmatically approved a project (federal/local) for support.
3. The budget period is usually 12 months long. However shorter or longer budget periods may be established for programmatic or administrative reasons. The budget period will be indicated on the NOGA and will show the total approved budget for the applicable budget period.
4. The Grantee shall provide services and conduct activities for the purpose established by the terms of the Agreement and the authorizing fund source, which is located on the NOGA and purchase order assigned to the award.
5. DBH shall issue a NOGA for each budget period, subject to satisfactory performance of the Grantee, Grantee eligibility and the availability of funding.

6. The project period, budget period and allocations of funding in each period shall be outlined in the NOGA. The fund source (e.g., federal or local funds administered by DBH) will also be stated in the NOGA. The total obligation by DBH under the grant shall not exceed the amount stated as maximum amount for the planned project period. The total award amount shall be apportioned by budget period outlined on the NOGA. The Grantee shall not exceed the amount of the total award that is apportioned to the budget period. The Grantee's spending plan must reflect the funding obligations and approved apportionments for the budget period, unless Grantee submits a written request for a deviation from the spending plan and such request has received approval from the assigned Project Director/delegate. Option years beyond the planned project period shall be considered for this award based only on the availability of source funding, additional funding and the satisfactory performance of the Grantee.
7. The Grantee shall submit an overall budget, including a detailed line item budget for each service area and shall operate programs in accordance with the budget approved by the project director/delegate prior to the issuance of a NOGA.
8. The Grant Agreement shall be subject to the availability of funding and an appropriation for the program or grant funding that is the subject of the grant. The Grant Agreement shall be subject to termination at any time, in whole or in part, if: (1) adequate funds are not made available to DBH or appropriated by DBH for the program in question; or (2) for the convenience of the government should DBH determine that such termination is in the best interest of the public or the government.
9. The Grantee must be eligible for funding at the time the award is issued and maintain eligibility as established by the terms of this Agreement, the Request for Applications and statutory and/or regulatory requirements (local and/or federal).
10. The Grantee must supplement, not replace, deliberately reduce or reallocate (supplant) non- grant funds due to the existence of funding available for this award. Grantees must ensure that funds do not supplant resources that have been budgeted for the same purpose through other sources. Applicants or award recipients may be required to demonstrate and document that a reduction in resources for programs occurred for reasons other than the receipt of grant funds.
11. The Grantee shall establish a system of accounting that ensures that funds awarded under the NOGA are not commingled with other funding sources (i.e., same funding source as another NOGA, similar service area). Where the Grantee's accounting system cannot comply with this requirement, the Grantee shall establish a system to provide adequate funding accountability for the program.
12. The Grantee shall establish a system of accounting that tracks program income generated through the grant award. All Grantees that generate program income must comply with 45 CFR §§ 216, 307 (as applicable) and report any program income to DBH on all invoices submitted.

Substance Abuse and Mental Health Services Administration (SAMHSA) Grant Award Standard Terms and the United States Department of Health and Human Services (HHS) Grants Policy Statement

Grantees awarded sub-grants funded in whole or part by SAMHSA must comply with the SAMHSA Award Standard Terms for the current fiscal year (<https://www.samhsa.gov/grants/grants-management/notice-award-noa/standard-terms-conditions>). Communication of a Material Change

The Applicant and the Grantee shall advise DBH immediately orally and thereafter in writing when a material condition of the Application or performance of the grant has changed. Examples of material changes in condition may include, but are not limited to, the following:

1. The loss of a staff member proposed as a principal;

3. The expenditure of granted funds for non-granted activities, materials, or supplies;
4. Change in the Applicant's governance;

If as the Grantee, the Applicant fails to comply with the terms and conditions of this award, DBH may suspend, terminate, take other corrective action (including, but not limited to, recovery of funds provided under the Grant), or initiate dispute resolution.

Grant Award Contingent on Available Funding

The grant award and DBH's distribution of funds pursuant to the grant award are subject to the availability of funding from the sources identified in the NOGA for the particular grant opportunity or project.

DBH's ability to provide funds is, and shall remain subject to, the provisions of:

1. The Federal Anti-Deficiency Act, 31 U.S.C. §§ 1341, 1342, 1349, 1351;
2. The District Anti-Deficiency Act, D.C. Official Code § 47-355.01-355.08; and

This grant shall be subject to termination at any time, in whole or in part, if adequate funds are not made available or appropriated for the program in question.

Grant Match: Projection and Documentation

When documentation of a grant match is required:

1. In support of an application, the applicant must provide a line item budget and budget narrative including the match for the proposed project; and
2. In support of an award, the Grantee must provide the following, which must be acceptable to DBH, unless DBH revises or waives the requirement in writing:
 - a. Documentation of in-kind match, including, for example, services of an employee. These services must be valued at the employee's regular rate of pay plus an amount of fringe benefits that is reasonable, necessary, allocable, and otherwise allowable. The value of donated space must not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in a privately owned building in the same locality.

Bonding Requirements

A bond is not required of the Grantee unless DBH states the requirement in writing. If DBH does require a bond, the Grantee before accepting the grant must secure the bond in an amount no less than the total amount of the funds awarded, against losses of money and other property:

1. Caused by fraudulent or dishonest act, and
2. Committed by an employee, board member, officer, partner, shareholder, or trainee.

Background Checks

The Grantee shall comply with all statutes and regulations governing background checks for unlicensed staff working on a grant or sub-grant, including but not limited to D.C. Code §§ 44- 552 *et seq.*, D.C. Code §§ 4-1501.01 *et seq.*, and 22-B DCMR Chapter 47, as applicable. DBH reserves the right to confirm the Grantee's compliance with any applicable statutes governing background checks for unlicensed personnel who work directly on the grant or sub-grant.

The grantee must provide upon request to DBH evidence of criminal background checks for all unlicensed personnel pursuant to the criminal background check requirements contained in District Official Code §§ 44-551 *et seq.*, Unlicensed Personnel Criminal Background Check, and its implementing regulations, 22-B DCMR Chapter 47, as well as child abuse registry checks, for both the State(s) of residence and employment.

Payment

1. The Grantee will be compensated for work performed and expenses incurred of a sum not to exceed the total amount contained in the NOGA or any official revision to it.

2. DBH will not reimburse the Grantee for grant-related expenditures made before the begin date.
3. The Grantee may submit its invoices for grant-related reimbursement according to the fund disbursement schedule as stated in the NOGA. Invoices must be sent through the appropriate portal as stated in the NOGA and the related District "Purchase Order."
4. The Grantee's accounting practices must be consistent with 45 CFR Subpart E, Cost Principles and support the accrual of cost as required by the cost principles and must provide for adequate documentation to support cost charged to the grant award.
5. The Grantee's payment request must include a signed invoice on organization letterhead with federal tax identification number and supporting documentation. The submittal to DBH must include:
 - a. For employee labor: For the relevant billing period, a payroll report, with information drawn from an official book of record, like a payroll register, official time sheet or timecard(s) approved by appropriate Grantee representative.
 - b. For other expenditures: Expenditures must be supported by invoices or receipts.
6. The Grantee must keep backup documentation, to show:
 - a. For Grantee AND any Grantee or sub-grantee:

 - ii. For non-labor: invoices and receipts that identify or describe the invoiced item, showing quantity, rate or price, and for procured items including contractor and sub-grantee invoices, proof of payment.
7. In most circumstances, DBH will require documents supporting an accounting entry before releasing payment. Such information may include:
 - a. General ledger screen shots or excerpts, showing paid bills or expenditures;
 - b. Copies of cancelled checks or bank statements of electronic transfers;
 - c. Statements from contractor, subcontractor and vendors that their bills have been paid; or
 - d. Reports of on-site inspections or audits.
8. In certain circumstances, and at DBH's sole discretion according to its policy, DBH may provide a portion of grant funds for the Grantee's start-up costs as an advance payment.
9. Notwithstanding the above, DBH at its sole discretion may withhold payment if DBH determines that the Grantees failed to comply with term[s] of the grant award.

Fund Disbursement

1. DBH reserves the right to withhold any payment if the Grantee is found in non-compliance with the DBH Notice of Grant Award or the Grant Agreement, and fails to correct any deficiencies within a reasonable time frame as determined by DBH. DBH shall determine the extent of the payment to be withheld under this provision.
2. Deposit and Security of Funds - The Grantee shall account for and reimburse the District Government any interest earned on advance grant award payments no later than twenty (20) business days from the end of each DC Government Fiscal Year (September 30) and no later than thirty (30) business days after the expiration of the Grant Agreement. All payments shall be made by check or money order made payable to the "D.C. Treasurer" and mailed to Office of Finance & Treasury, 1101 4th Street, SW, Suite 850W, Washington, DC 20024.

Unethical Conduct

1. The Applicant/Grantee shall avoid all unethical conduct with respect to securing and administering granted funds, with ethical conduct to be measured generally, but not wholly, against the provisions of the District Ethics Manual (most recent edition as of the time the grant is awarded), found at www.bega.dc.gov, under the heading for documents.
2. Though not an exhaustive list, the Grantee shall avoid the following:
 - a. Apparent and actual conflicts of interest;
 - b. Contributing to a violation of the District's restrictions on gifts to District personnel;
 - c. Contributing to a violation of the two-year ban on District personnel taking certain actions regarding a "particular matter" described in the District Ethics Manual;
 - d. No Applicant/Grantee shall employ or retain a person or selling agency to solicit or secure this grant, a payment under it, or an amendment, upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee. Except, an applicant or grantee may condition its compensation for a bona fide employee on grant-related job performance, and may retain an attorney for compensation permitted by the District's Rules of Professional Conduct; and
 - e. With respect to grant funds, the Grantee and Grantee's employees, officers, or agents shall not solicit or accept a gift, gratuity, favor, or anything of monetary value from a contractor, subcontractor, vendor, party to a related agreement, or a beneficiary of this grant except as may be allowed under the District Ethics Manual for items that are unsolicited and of nominal value.

Contracts, Subcontracts, or Sub-Grants

1. **Nothing in the Grant award shall be construed to create a contractual relationship between DBH and Grantee's contractor, subcontractor, sub-grantee, or vendor.**
2. Any grant-related work and/or activity that is contracted, subcontracted, or sub-granted is subject to applicable District and federal law and DBH review and approval. The Grantee shall give DBH advance notice of contracts, subcontracts, and sub-grants sufficient to allow DBH to determine whether its approval is needed, and if so, whether approval must come before Grantee's execution of the contract or sub-grant.
3. The Grantee's contract or sub-grant shall specify that the contractor or sub-grantee, and its contractors, subcontractors, or sub-grantees, shall be subject to the conditions and prohibitions of the Grant Award.
4. Warranties for labor and materials shall be obtained for purchases of materials and labor having an aggregate value of over \$5,000. These warranties shall be valid for at least two (2) years. DBH may waive this requirement in writing for demonstration of good cause or research grants.
5. If the Grantee, its contractors, subcontractors, or sub-grantees disturbs work guaranteed under another District contract or grant, the Grantee shall be responsible to restore the disturbed work to a condition comparable to its original condition and warranty such restored work, or alternatively pay the District for the damage.
6. No grantee shall use grant funds to procure services or materials from a vendor, contractor, or subcontractor that is suspended or debarred by the District or the federal government as may be found here: <https://ocp.dc.gov/page/excluded-parties-list> (DC), and here: <https://www.sam.gov/SAM/> (Federal).

Patient Confidentiality

The Grantee shall ensure that its employees, volunteers and sub-awardees adhere to all applicable Federal and Local statutes and regulations addressing patient confidentiality, including HIPAA, the D.C. Mental Health Information Act and 42 C.F.R. Part 2.

Establishing and Managing Sub-Awards

If the Grant authorizes or provides for sub-awards, as a pass-through entity, the Grantee must:

1. Be responsible for selecting sub-awardees and as appropriate conducting sub-award competitions. When using DBH or federal pass-through funds, the Grantee will establish a fair, open, transparent competitive process for the awarding of funds either through a contract, cooperative Agreement or grant instruments. A competition is a process that provides for the following:
 - a. Notice of Funding has been publicized;
 - b. Applications are easily available to all prospective applicants;
 - c. Applications are reviewed in an objective manner against an established public scoring criteria; and
 - d. Reviewers have no conflict of interest with any of the submitting applicant organizations.
2. Funds disbursed in a non-competitive manner may be disallowed and appropriate grant management sanctions issued.
3. The Grantee will submit for approval any Requests for Proposal or Requests for Applications before released.
4. The Grantee will submit for approval the unsolicited grant submission process before it is announced.
5. The Grantee shall ensure that all sub-award agreements are in writing, meet all legal and regulatory requirements and address all of the elements for sub-award agreements identified in the NOGA.
6. The Grantee shall establish and follow a system for monitoring sub-awardee performance that includes elements required by the grant award, the SAMHSA grant award (if applicable) and this Appendix, and report the results of the monitoring in performance reports required by this document and/or the grant award.
7. The Grantee shall establish and maintain an accounting system that ensures compliance with the maximum funding limitation established in the grant award, the SAMHSA grant award (if applicable) and with the requirements for payment of costs under the grant. This includes establishment of written procedures for determining that sub-award costs are allowable under the terms and conditions of the grant award and this Appendix, and may provide for determinations on a pre-award basis, through ongoing monitoring of costs that sub-grantees incur, or a combination of both approaches, provided the Grantee documents its determinations.
8. The Grantee shall extend the Grant's DBH-approved indirect cost rate to payments made to a nonprofit sub-grantee or to a nonprofit contractor. Except that the following are excluded from this paragraph's requirement of this compensation structure: a foundation, hospital, college, and university.

Modifications of the Grant, including Extensions and Increases

The terms and conditions of the grant may be modified only upon DBH's prior written approval. The modification shall take the form of an amendment to the NOGA.

1. Through an amendment, DBH may, *inter alia*, increase or reduce the grant amount and/or extend or reduce the project period.
2. If DBH notifies the Grantee that a funding increase or an extension of the project period is available, the Grantee must apply for the increase or extension in writing according to the terms of the DBH notification.
3. All grantees must apply for no-cost extensions sixty (60) calendar days in advance of the grant's then-current end date. The application must justify the amendment, and include a description of proposed changes to scope, performance schedule, description of proposed outcomes, and budget.

Staffing Plan, Work Plan, Budgets and Organizational/Personnel Requirements

Upon signing the Grant Agreement, the Grantee shall have and maintain on file with DBH an approved staffing plan, work plan and budget. The Grantee must implement the funded program in accordance with requirements outlined in approved staffing plan, budgets and work plans. Any revision or alteration of these plans must have prior approval by the Project Director or his/her designee. Further:

1. The Grantee shall maintain a current organizational chart, which displays organizational relationships and demonstrates who has responsibility for administrative oversight and supervision over each priority service activity.
2. The Grantee shall ensure that adequate, competent and trained personnel are provided to oversee the implementation of the activities supported by the grant.
3. The Grantee shall ensure that personnel records, background checks (if applicable under the governing statutes or regulations), job descriptions, application for employment, licensing or certification criteria, descriptions of duties, hours of work, salary range and performance evaluation criteria are maintained in individual personnel records for staff assigned to the funded project.
4. The Grantee must maintain record of personnel actions, including time records, documentation of all training received, notation of any allegations of professional or other misconduct including a detailed description of the allegations, and if terminated, the date and reason for the termination from employment. All these personnel materials shall be made available to the Project Director upon request.
5. The Grantee shall provide orientation session for staff members that addresses the Health Information Portability and Accountability Act (HIPAA), the D.C. Mental Health Information Act (D.C. Code § 7-1201.01 *et seq.*), 42 CFR Part 2 (if applicable), administrative procedures, program goals, cultural sensitivity, language access, conflict of interest, workplace sexual harassment policies and policies and procedures to be adhered to under the terms of the grant Agreement.
6. The Grantee must notify the Project Director if there is a change in staffing or operations management of the organization that impacts the project funded under the Agreement.
7. The Grantee shall seek approval of any changes in staffing plans or job descriptions for staff assigned to the grant.

Profit and Program Income Requirements for Commercial Organization Grantees

All commercial organizations awarded DBH sub-grants funded in whole or part by the United States Department of Health and Human Services (HHS) shall comply with 45 CFR § 75.216 and any other applicable federal or District law or regulation governing profit and program income. Specifically, with the exceptions of grant awards made under the Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) programs, no HHS funds may be paid as profit to any for[-profit] commercial organization even if the grantee is a commercial organization. Profit is any amount in excess of allowable direct and indirect costs.

Except for grants for research, program income earned by a commercial organization may not be used to further eligible project or program objectives except in the SBIR or STTR programs.

Commercial organizations that receive awards (including for-profit hospitals) have two options regarding audits:

- (a) A financial related audit of a particular award in accordance with Generally Accepted Government Auditing Standards issued by the Comptroller General of the United States, in those cases where the commercial organization receives awards under only one HHS program; or if awards are received under multiple HHS programs, a financial audit of all awards in accordance with Generally Accepted Government Auditing Standards issues by the Comptroller General of the United States; or
- (b) An audit that meets the requirements of 45 CFR Subpart F.

Commercial organizations that receive annual awards totaling less than the audit requirements of 45 CFR Subpart F are exempt from the audit requirements for that year. However, records must be available for review by appropriate officials of federal agencies or the Government Accountability Office.

Profit and Program Income Requirements for Non-Federal Entities

Pursuant to 45 CFR §§ 75.2, 75.307, a non-federal entity (a state, Local government, Indian tribe, institution of higher education (IHE) or nonprofit organization that carries out a federal award as a recipient or a sub-recipient) is encouraged to earn income to defray program costs where appropriate. All non-federal entities in receipt of sub-grants funded in whole or part by HHS must adhere to the requirements of 45 CFR §§ 75.307, 75.407 concerning program income.

Indirect Cost

Facilities and Administration Classification. For major IHEs and major nonprofit organizations, indirect (F&A) costs must be classified within two broad categories: “Facilities” and “Administration.” “Facilities” is defined as depreciation on buildings, equipment and capital improvement, interest on debt associated with certain buildings, equipment and capital improvements, and operations and maintenance expenses. “Administration” is defined as general administration and general expenses such as the director's office, accounting, personnel and all other types of expenditures not listed specifically under one of the subcategories of “Facilities” (including cross allocations from other pools, where applicable).

Identification with a Federal award rather than the nature of the goods and services involved is the determining factor in distinguishing direct from indirect (F&A) costs of Federal awards. However, typical examples of indirect (F&A) cost for many nonprofit organizations may include depreciation on buildings and equipment, the costs of operating and maintaining facilities, and general administration and general expenses, such as the salaries and expenses of executive officers, personnel administration, and accounting.

Any non-Federal entity that has never received a negotiated indirect cost rate, may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. As described in 45 CFR§ 75.403, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. If chosen, this methodology once elected must be used consistently for all Federal awards until such time as a non-Federal entity chooses to negotiate for a rate, which the non-Federal entity may apply to do at any time.

Any non-Federal entity that has a current federally negotiated indirect cost rate may apply for a one-time extension of the rates in that agreement for a period of up to four years. This extension will be subject to the review and approval of the cognizant agency for indirect costs. If an extension is granted the non-Federal entity may not request a rate review until the extension period ends. At the end of the 4-year extension, the non-Federal entity must re-apply to negotiate a rate. Subsequent one-time extensions (up to four years) are permitted if a renegotiation is completed between each extension request.

Indirect Costs Calculation

An Applicant may include its indirect costs in its budget calculation. (See the Nonprofit Fair Compensation Act of 2020, DC Act 23-565 [effective March 2021]) This may be done through use of a cost rate. In budget backup materials the Applicant should identify the basis for the calculation, addressing one of the following bases that District law permits it to choose:

1. Its current, unexpired, federal Negotiated Indirect Cost Rate Agreement (NICRA) rate, a negotiated rate with the federal government;

OR

2. One of the following methods:
 - a. 10% of the grant's direct costs;
 - b. A new negotiated rate with DBH;
 - c. The same indirect rate that it has used with any District agency in the past 2 years; or
 - d. An independent Certified Public Account's (CPA) calculated rate using federal Office of Management and Budget (OMB) guidelines.

(The cited statute required DBH to provide for at least one of these listed methods. However, the statute excludes the following from the requirement: foundation; hospital; university; college.) If the Applicant proposes to use the services of a nonprofit subgrantee or contractor, it must propose to apply the same indirect cost rate to that entity's services. (See Attachment-1. General Terms & Conditions, Establishing and Managing Subgrant, #8)

Federal rules always control for federal funding. For federal funding that passes through the District to the grantee, the indirect cost rate must be consistent with federal regulation 2 CFR 200.331 or its successor.

Client Records (if there are no client services provided, this term is not applicable)

1. The Grantee shall establish and maintain a protocol for maintaining and storing client records that is compliant with the HIPAA security and privacy rules, the Mental Health Information Act (D.C. Code § 7-1201.01 *et seq.*) and 42 CFR Part 2 (as applicable). This protocol shall be available to the project director on request.
2. The Grantee shall provide the Project Director, and other authorized representatives of the DBH access to program evaluators, quality assurance specialists, data management analysts and clinical records as may be necessary for monitoring purposes.
3. The Grantee shall retain all records for at least three (3) years following closeout of the grant.
4. The Grantee will ensure that information in client files is current. Client files will be considered inactive if not updated within a 6-month period.
5. DBH reserves the right to remove client records from the Grantee's location or property to review and /or copy records.

Facilities Controlled By the Grantee

1. The Grantee's facilities used during the performance of this agreement shall meet all applicable federal, state, and local regulations for their intended use throughout the duration of this agreement. The Grantee shall maintain current all required permits and licenses for the facilities. The Grantee's failure to do so shall constitute a failure to perform the agreement and shall be a basis for termination of the agreement for default.
2. The Grantee shall identify an emergency site facility to finish the grant activities in the event that the primary facility becomes unavailable for use due to a catastrophic event.
3. Each facility controlled by the Grantee that is used for activities under the grant shall be accessible to mobility-limited persons consistent with the Rehabilitation Act of 1973 as amended, 29 U.S.C. §§ 701 *et seq.*, and the Americans with Disabilities Act, 42 U.S.C. §§ 12101 *et seq.*
4. All supplies and services routinely needed for maintenance and operation of the facility, including but not limited to, security, janitorial services, and trash pick-up, shall be provided by the Grantee.

Entry onto a Project Site and to Records

The Grantee shall provide DBH and its designee with access to books and records for the funded project. The Grantee also shall secure from the relevant property owners permission in writing for DBH and its designee to access a project site(s) at reasonable times to inspect the work performed by the Grantee, its contractor, subcontractor, sub-grantee, or vendor. The Grantee shall obtain the written consent in advance of performing the work.

Grant Purchases, including Equipment, exceeding \$5,000 per unit, if applicable

1. The Grantee shall not purchase with grant funds equipment or supplies exceeding \$5,000 per unit cost ("Big Grant Purchase") without DBH's prior written agreement.
2. For each Big Grant Purchase, the Grantee shall give advance written notice to DBH to allow DBH to approve or disallow the purchase.

3. Identification of a Big Grant Purchase in DBH-approved proposal constitutes approval of the Big Grant Purchase. If a Big Grant Purchase is not identified in a DBH-approved proposal, advance notice shall be given four (4) weeks in advance of the commitment to purchase. DBH may waive this time period in writing for good cause.
4. Within sixty (60) calendar days of execution of the award, the Grantee must provide the Project Director with an inventory of all equipment and supplies with a purchase price not exceeding \$5,000 (per item) purchased with grant funds.
5. For all Big Grant Purchases, the Grantee shall maintain an inventory record ("Big Grant Purchase Inventory") showing:
 - a. Purchase price;
 - b. Grant number;
 - c. Name of item;
 - d. Manufacturer's name;
 - e. Serial number (if applicable);
 - f. Acquisition history (purchase order, invoice, packing slip);
 - g. Guarantee or warranty lapse date;
 - h. Storage location;
 - i. Unit price; and
 - j. Additional costs, if any, for transportation, installation, and taxes, each as a separate item.
6. The Big Grant Purchase Inventory shall be updated annually, or at the expiration of the budget period, whichever occurs first.
7. All equipment and products purchased above \$5,000 with grant funds should be American-made when possible.
8. DBH may inspect and reclaim all or part of the inventoried equipment within 12 weeks after the expiration of the grant.

Major and Unusual Incident (MUI/UI) Reporting

The Grantee shall adhere to the DBH Policy 480.1A, Reporting a Major Unusual Incident and an Unusual Incident, and any succeeding policy, for reporting major unusual incidents and unusual incidents to DBH. Specifically, the Grantee shall report by telephone or email each unusual incident or major unusual incident involving or affecting the Grantee's performance of the Grant award to the person identified as the Project Director within twenty-four (24) hours of the incident or learning of the incident. The initial report may be oral or by e-mail. The Grantee shall also communicate a full description of the unusual incident or major unusual incident in writing within five calendar (5) days after the initial report pursuant to the requirements of DBH Policy 480.1A. The Grantee shall not send any communication to DBH regarding an unusual incident or major unusual incident by fax.

An unusual incident is an event that is significantly different from the regular routine or established procedure that does not rise to the level of a major unusual incident (MUI). Examples include, but are not limited to, an injury, a traffic accident, a theft, of the firing or resignation of a principal staff member or contractor identified in the Application.

A major unusual incident (MUI) is an adverse event that can compromise the health, safety or welfare of persons; employee misconduct; fraud; and actions that are volatile of law or policy. Examples include, but are not limited to: unusual injury or death; unexplained absence of a client from a residence or program; physical, sexual, or verbal abuse of a client by staff or other clients; fire, theft, destruction of property, or sudden serious problems in the physical plant; complaints from families or visitors of clients; requests for information from the press, attorneys, or government officials outside of DBH; client behavior(s) requiring attention of staff not usually involved in their care; and/or any other unusual events that may require Project Director intervention.

Termination

The Grant, and the offer of the Grant, shall be subject to termination by DBH:

1. At any time, in whole or in part, for the convenience of the Government should DBH determine that such termination is in the best interest of the public or the Government;
2. Immediately for:
 - a. Lack of funding;
 - b. Failure of Grantee to follow District or applicable federal law, including statutes, rules, and regulations;
 - c. Failure of the Grantee to carry out DBH's ordered grant corrective action plan;
 - d. An ethics violation involving the grant, pursuant to ethical standards in the most recent version of the District's Ethics Manual, published by the District's Board of Ethics and Accountability (bega.dc.gov), as of the date that the Grant Award Notice was sent, or violation of any ethics law or regulation; or
 - e. Fraud, waste or abuse by the Grantee.

Termination for Force Majeure or Cause

1. For *force majeure* DBH may terminate the grant and Grantee may seek certain reimbursement, as described in this section.
2. For cause DBH may terminate the grant, but the Grantee may not receive the reimbursement allowed for termination on the basis of *force majeure*.
3. Cause and *force majeure* defined:
 - a. Cause is a basis for DBH's termination of the grant, when DBH determines that the Grantee has:
 - i. Failed to achieved the intended outputs within the time frame that has been approved;
 - ii. Performed incompetently; or
 - iii. Performed recklessly.
 - b. *Force majeure* is a condition or occurrence which provides a valid excuse for failure to perform within the time frame of the grant, an unexpected and disruptive event which DBH determines could not have reasonably been anticipated or controlled, and includes:
 - i. Timely applying for a government permit or approval but not timely receiving same from the government agency;
 - ii. A change in applicable law;
 - iii. An unforeseen weather event;
 - iv. Organized labor strike or slowdown; and
 - v. Refusal of a necessary third party to approve, agree or participate following the Grantee's reasonable attempts to secure the same.
4. The Grantee may not invoke *force majeure* as an excuse for poor planning, failure to accommodate foreseeable delays by suppliers, or the Grantee's failure to manage its own resources.
5. For *force majeure*, the Grantee may seek reimbursement for otherwise-reimbursable expenditures incurred up to the date of termination, as well as reasonable costs incurred for demobilization.

Transition Plan for Continuity of Services

It is essential that continuity of services be maintained under this grant for the residents of the District of Columbia and applicable jurisdictions. Therefore, if the awarded grant expires or is terminated:

A transitional plan must be developed and available for review by DBH within ten (10) business days upon determination that services will cease. Failure to provide this contingency plan will be deemed as non-compliance and could result in the termination of this grant, or other appropriate action.
3. DBH reserves the right to assume responsibility for services supported by the grant.
4. An acceptable transition plan will include, but not be limited to, the following:

ATTACHMENT 3 – PROGRAM INCOME AND FINANCIAL DISCLOSURE

What is Program Income?

Program income means gross income earned by the non-Federal entity that is directly generated by a supported activity earned as a result of the Federal award during the period of performance. Program income includes but is not limited to income from fees for services performed, the use or rental of real or personal property acquired under Federal awards, the sale of commodities or items fabricated under a Federal award, license fees and royalties on patents and copyrights, and principal and interest on loans made with Federal award funds. Interest earned on advances of Federal funds is not program income.

The Department of Behavioral Health (DBH) requires sub-grantees to identify and document program income on projects/services. The nature of this income must be appropriately documented and the resulting revenue properly recorded. All sub-grantees should be aware of how program income will be used and reported due to a possible impact on the scope of work of the award.

Program income must be utilized in a manner that is allocable, allowable, and reasonable to the project. Expenses that are unallowable on the main project are also unallowable on the program income account.

The DBH Fiscal Monitor will review all budgets and budget modifications and flag any activity/service that has a potential to generate income with the Project Director and sub-grantee. Any flagged activity/service will be reviewed by the fiscal monitor and project director monthly, no less than quarterly with the sub-grantee.

Procedure for Monitoring Program Income:

- Sub-grantee identifies program income activity/service.
- Program income account is established by the sub-grantee.
- Revenue is received and deposited into the program income account.
- The sub-grantee certifies receipt of program income to Fiscal Monitor and Project Director through DBH Program Income Reporting Worksheet monthly, no less than quarterly.
- Fiscal monitor reviews the Income Reporting Worksheet and supporting documentation with the Project Director. A reconciliation is performed with supporting documentation and DBH data systems such as, DATA WITS.
- DBH reports to applicable Federal agency a summary of all sub-grantees that accrued program income and the amount.

LIST OF CERTIFICATIONS

I. CERTIFICATION REGARDING LOBBYING

Title 31, United States Code, Section 1352, entitled "Limitation on use of appropriated funds to influence certain Federal contracting and financial transactions," generally prohibits recipients of Federal grants and cooperative agreements from using Federal (appropriated) funds for lobbying the Executive or Legislative Branches of the Federal Government in connection with a SPECIFIC grant or cooperative agreement. Section 1352 also requires that each person who requests or receives a Federal grant or cooperative agreement must disclose lobbying undertaken with non-Federal (non-appropriated) funds. These requirements apply to grants and cooperative agreements EXCEEDING \$100,000 in total costs (45 CFR Part 93). By signing, the Applicant/Grantee is providing certification set out in Appendix A to 45 CRF Part 93.

2. CERTIFICATION REGARDING PROGAM FRAUD CIVIL REMEDIES ACT (PFFCRA)

The undersigned (authorized official signing for the Applicant/Grantee organization) certifies that the statements herein are true, complete, and accurate to the best of his or her knowledge, and that he or she is aware that any false, fictitious, or fraudulent statements or claims may subject him or her to criminal, civil, or administrative penalties. The undersigned agrees that the applicant organization will comply with the Department of Health and Human Services terms and conditions of award if a grant is awarded as a result of this application.

3. CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, also known as the Pro-Children act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, daycare, early childhood development services, education or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such Federal funds. The law does not apply to children's services provided in private residence, portions of facilities used for inpatient drug or alcohol treatment, service providers whose sole source of applicable Federal funds is Medicare or Medicaid, or facilities where WIC coupons are redeemed.

Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity.

The authorized official signing for the Applicant/Grantee organization certifies that the Applicant/Grantee organization will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act. The applicant organization agrees that it will require that the language of this certification be included in any sub-awards which contain provisions for children's services and that all sub-recipients shall certify accordingly.

HHS strongly encourages all grant recipients to provide a smoke-free workplace and promote the non-use of tobacco products. This is consistent with the HHS mission to protect and advance the physical and mental health of the American people.

The person whose signature appears below is authorized to sign this assurance and commit the Applicant/Grantee to the above provisions.
