# PART I - THE SCHEDULE SECTION C DESCRIPTION/SPECIFICATIONS/ STATEMENT OF WORK

#### C.1 BACKGROUND

Established in 1855 as the Government Hospital for the Insane, Saint Elizabeths Hospital (SEH) has had a distinguished history in the treatment of the mentally ill. The Hospital's early mission, as defined by its founder, Dorothea Dix, was to provide the "most humane care and enlightened curative treatment of the insane of the Army, Navy, and District of Columbia." During the Civil War, wounded soldiers treated here were reluctant to admit that they were in an insane asylum, and said they were at Saint Elizabeths, the colonial name of the land where the Hospital is located. Congress officially changed the Hospital's name to St. Elizabeths in 1916. By the 1940s, the Hospital complex covering an area of over 300 acres housed 7,000 patients. It was the first and only federal mental facility with a national scope.

Currently, Saint Elizabeths Hospital operates under the Department of Mental Health Services (DMH) which is a cabinet level agency in the District of Columbia Government that reports directly to the Mayor. SEH currently provides 24 hour-a-day, seven day a week mental health care for over 380 inpatients and has Civil and Forensic programs.

Annually, the Hospital performs an estimated 13,000 billable lab test for the Civil Program broken down as follows: 44% blood chemistry tests, 27% urine drug screens, 9% serology tests, 14% hematology analyses, 2% urinalyses, and 4% miscellaneous tests. For the Forensic Program, the Hospital performs an estimated total of 15,500 billable lab tests annually broken down as follows: 48% blood chemistry tests, 29% urine drug screens, 11% serology tests, 7% hematology analyses, 2% urinalyses, and 3% miscellaneous tests.

The DMH, SEH has a need for a full service reference laboratory that can provide a wide variety of clinical laboratory services to meet the requests ordered by physicians for SEH patients. The Contractor shall perform a broad spectrum of laboratory test, using state of the art scientific instrumentation, advanced technology, and computer systems to perform all tests. #### M.8 CLAUSE APPLICABLE TO ALL OPEN MARKET SOLICITATIONS

A. Preference for Local Businesses, Disadvantaged Businesses, Resident Businesses Ownerships or Businesses Operation in an Enterprise Zone.

#### **General Preferences**

Under the provisions of D.C. Law 13-169, "Equal Opportunity for Local, Small, or Disadvantaged Business Enterprises Amendment Act of 2000" (the "Act", as used in this section), the District shall apply preferences in evaluating offers from businesses that are local, disadvantaged, resident business ownership or located in an enterprise zone of the District of Columbia.

For evaluation purposes, the allowable preferences under the Act for this procurement are as follows:

- 1. Four percent reduction in the bid price or the addition of four points on a 100-point scale for a local business enterprise (LBE) certified by the Local Business Opportunity Commission (LBOC);
- 2. Three percent reduction in the bid price or the addition of three points on a 100-point scale for a disadvantaged business enterprise (DBE) certified by the LBOC;

- 3. Three percent reduction in the bid price or the addition of three points on a 100-point scale for a resident business ownership (RBO), as defined in Section 2 (a)(8A) of the Act, and certified by the LBOC; and
- 4. Two percent reduction in the bid price or the addition of two points on a 100-point scale for a business located in an enterprise zone, as defined in Section 2(5) of D.C. Law 12-268 and in 27 DCMR 899, 39 DCR 9087-9088 (December 4, 1992).

Any prime Contractor that is a LBE certified by the LBOC shall receive a four percent (4%) reduction in bid price for a bid submitted by the LBE in response to an Invitation for Bids (IFB) or the addition of four points on a 100-point scale added to the overall score for bids submitted by the LBE in response to a Request for Proposals (RFP).

Any prime Contractor that is a DBE certified by the LBOC shall receive a three percent (3%) reduction in the bid price for a bid submitted by the DBE in response to an IFB or the addition of three points on a 100-point scale added to the overall score for proposals submitted by the DBE in response to a RFP.

Any prime Contractor that is a RBO certified by the LBOC shall receive a three percent (3%) reduction in the bid price for a bid submitted by the RBO in response to an IFB or the addition of three points on a 100-point scale added to the overall score for proposals submitted by the RBO in response to a RFP.

Any prime Contractor that is a business enterprise located in an enterprise zone shall receive a two percent (2%) reduction in bid price for a bid submitted by such business enterprise in response to an IFB or the addition of two points on a 100-point scale added to the overall score for proposals submitted by such business in response to a RFP.

B. Preferences for Sub-Contracting in Open Market Solicitations with No LBE, DBE, RBO Sub-Contracting Set Aside

The preferences for Sub-Contracting in open market solicitations where there is no LBE, DBE or RBO Sub-Contracting set aside are as follows:

- If the prime Contractor is not a certified LBE, certified DBE, certified RBO or a
  business located in the enterprise in an enterprise zone, the District shall award the
  above-stated preferences by reducing the bid price or by increasing the points
  proportionally based on the total dollar value of the bid or proposal that is designated
  by the prime Contractor for Sub-Contracting with a certified LBE, DBE, RBO or
  business located in an enterprise zone.
- 2. If the prime Contractor is a joint venture that is not a certified LBE, certified DBE or certified RBO joint venture, or if the prime Contractor is a joint venture that includes a business in an enterprise zone but such business located in an enterprise zone does not own and control at least fifty-one percent (51%) of the joint venture, the District shall award the above-stated preferences by reducing the bid price or by increasing the points proportionally in the proposal based on the total dollar value of the bid or proposal that is designated by the prime Contractor for a certified LBE, DBE, RBO or business located in an enterprise zone, for participation in the joint venture.

# For Example:

If a non-certified prime Contractor Sub-Contracts with a certified local business enterprise for a percentage of the work to be performed on an RFP, the calculation of the percentage points to be added during evaluation would be according to the following formula:

Amount of Sub-Contract

x 4\* = Points Awarded for Evaluating
LSDBE Sub-Contracting

\*Note: Equivalent of four (4) points on a 100 point scale

The maximum total preference under the act of this procurement is twelve percent (12%) for bids submitted in response to an IFB or the equivalent of twelve (12) points on a 100-point scale for proposals submitted in response to a RFP. Any prime Contractor receiving the full bid price reduction or point addition to its overall score for a particular preference shall not receive any additional bid price reduction or points for further participation on a Sub-Contracting level for that particular preference.

However, the prime Contractor shall receive a further proportional bid price reduction or point addition on a different preference for participation on a Sub-Contracting level for that different preference. For example, if a LBE prime Contractor receives the four percent bid price reduction or the equivalent of four points on a 100-point scale, the LBE prime Contractor does not receive a further price reduction or additional points if such Contractor proposes Sub-Contracting with an LBE. However, if this same LBE prime Contractor proposes Sub-Contracting with a DBE, the LBE prime Contractor receives a further proportional bid price reduction or point addition for the DBE participation on the Sub-Contracting level.

C. Preferences for Open Market Solicitation with LBE, DBE or RBO Sub-Contracting Set Aside

If the solicitation is an open market solicitation with LBE, DBE or RBO Sub-Contracting set-aside, the prime Contractor shall receive the LBE, DBE, or RBO preferences only if it is a certified LBE, DBE or RBO. There shall be no preference awarded for Sub-Contracting by the prime Contractor with a LBE, DBE or RBO, even if the prime Contractor proposes LBE, DBE, or RBO Sub-Contracting above the Sub-Contracting levels required by the solicitation. However, the prime Contractor shall be entitled to the full preference for business located in an enterprise zone if it is a business located in an enterprise zone or a proportional preference if the prime Contractor subContracts with a business located in an enterprise zone.

The maximum total preference under the Act for this procurement is twelve percent (12%) for bids submitted in response to an IFB or the equivalent of twelve (12) points on a 100 point scale for proposals submitted in response to a RFP.

- D. Preferences for Certified Joint Ventures Including Local or Disadvantaged Businesses or Resident Business Ownerships when an LBOC-certified joint venture includes a local business enterprise (LBE), disadvantaged business enterprise (DBE) or a resident business ownership (RBO), and the LBE, DBE or RBO owns and controls at least fifty-one percent (51%) of the venture, the joint venture shall receive the preference as if it were a certified LBE, DBE or RBO.
  - E. Preference for joint Ventures Including Businesses located in an Enterprise Zone.

When a joint venture includes a business located in an enterprise zone, and such business located in an enterprise zone owns and controls at least fifty-one percent (51%) of the venture, the joint venture shall receive the preferences as if it were a business located in an enterprise zone.

1. Contractor Submission for Preferences

Any Contractor seeking to receive preferences on this solicitation shall submit at the time of, and as part of its bid or proposal the following documentation, as applicable to the preference being sought:

- (a) Evidence of the Contractor's, Sub-Contractor's, or joint venture partner's certification or self-certification as a LBE, DBE, or RBO, to include either:
  - (1) A copy of all relevant letters of certification from the Local Business Opportunity Commission (LBOC); or
  - (2) A copy of the sworn notarized Self-Certification Form prescribed by the LBOC, along with an acknowledgement letter issued by the Director of the LBOC. Businesses with principal offices located outside of the District of Columbia shall first be certified as LBEs before qualifying for selfcertification.
- 2. Evidence that the Contractor or any Sub-Contractor is located in an enterprise zone.

In order for an Contractor to receive allowable preferences under this solicitation, the Contractor shall include the relevant information as described in subparagraphs (a) and (b) of this clause, as part of its proposal.

Refer to J.2.1 for the Self-Certification Package. In order to receive any preferences under this solicitation, any Contractor seeking self-certification shall complete and submit the forms to:

Office of Local Business Development ATTN: LSDBE Certification Program 441 Fourth Street, N.W., Suite 970N Washington, DC 20001

All Contractors are encouraged to contact the Local, Small and Disadvantaged Business Enterprises Certification Program at (202) 727-3900 if additional information is required on certification procedures and requirements.

Penalties for Misrepresentation

Any material misrepresentation on the sworn notarized self-certification form could result in termination of the Contract, the Contractor's liability for civil and criminal action in accordance with the Act, D.C. Law 12-268, and other District laws, including debarment.

Local, Small, and Disadvantaged Business Enterprise Sub-Contracting

When a prime Contractor is certified by the Office of Local Business Development as a local, small or disadvantaged business or a resident business ownership, the prime

Contractor shall perform at least fifty percent (50%) of the Contracting effort, excluding the cost of materials, good, and supplies with its own organization resources, and if it

subContracts, fifty percent (50%) of the Sub-Contracting effort, excluding the cost of materials, goods, and supplies shall be with certified local, small or disadvantaged business enterprises and resident business ownerships, unless a waiver is granted by the Contracting Officer, with prior approval and consent of the Director of the LBOC under the provisions of 27 DCMR 805, 39 DCR 5578-5580 (July 24, 1992).

By submitting a signed bid or proposal, the prime Contractor certifies that it shall comply with the requirements of paragraph (a) of this clause.
