I.3 RESERVED.

I.4 TIME

Time, if stated in a number of days, includes all calendar days unless otherwise stated. Business days shall mean all days excluding Saturdays, Sundays, Holidays and other days in which District government is closed.

I.6 SUSPENSION OF WORK

I.6.1 the Director, Contracts and Procurement/Agency Chief Contracting Officer may order the Contractor, in writing, to suspend, delay, or interrupt all or any part of the work of this contract for the period of time that the Director, Contracts and Procurement/Agency Chief Contracting Officer determines appropriate for the convenience of the District. If the performance of all or any part of the work is, for an unreasonable period of time, suspended, delayed or interrupted by an act of the Director, Contracts and Procurement/Agency Chief Contracting Officer in the administration of this Contract, or by the Director, Contracts and Procurement/Agency Chief Contracting Officer's failure to act within the time specified in this Contract (or within a reasonable time if not specified), an adjustment shall be made for any increase in the cost of performance of this Contract (excluding profit) necessarily caused by the unreasonable suspension, delay, or interruption, and the contract modified in writing accordingly.

I.6.2 No adjustment shall be made under this clause for any suspension, delay, or interruption to the extent that performance would have been so suspended, delayed, or interrupted by any other cause, including the fault or negligence of the Contractor, or for which an equitable adjustment is provided for or excluded under any other term or condition of this Contract.

I.6.3 A claim under this clause shall not be allowed for any costs incurred more than twenty (20) days before the Contractor shall have notified the Director, Contracts and Procurement/Agency Chief Contracting Officer in writing of the act or failure to act involved (but this requirement shall not apply as to a claim resulting from a suspension order); and unless the claim, in an amount stated, is asserted in writing as soon as practicable after the termination of the suspension, delay, or interruption, but not later than the date of final payment under the contract.

I.7.1 The Director, Contracts and Procurement/Agency Chief Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this Contract for a period of ninety (90) days after the order is delivered to the Contractor, and for any further period to which the parties may agree.

I.7.2 The order shall be specifically identified as a stop work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurring of costs allocable to the work covered by the order during the period of work stoppage. The Director, Contracts and Procurement/Agency Chief Contracting Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly.

I.7.4 If the stop-work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this Contract; and the Contractor asserts its right to the adjustment within thirty (30) days after the end of the period of work stoppage; provided, that, if the Director, Contracts and Procurement/Agency Chief Contracting Officer decides the facts justify the action, the Director, Contracts and Procurement/Agency Chief Contracting Officer may receive and act upon the claim submitted at any time before final payment under this Contract.

I.7.5 If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the District, the Director, Contracts and Procurement/Agency Chief Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.

I.7.6 If a stop-work order is not canceled and the work covered by the order is terminated for default, the Director, Contracts and Procurement/Agency Chief Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.
