E.1.1 The Contractor shall be governed by The District of Columbia Government's Standard Contract Provisions (SCP) Clause 5 - Inspection of Supplies, SCP. 1 – 3 and/or SPC Clause – 6 Inspection of Services, SCP. 3 - 4.

E.1.2 The Contractor shall be held to the full performance of the Contract. The District shall deduct from the Contractor's invoice or otherwise withhold payment for any non-conforming service as specified below.

E.1.4 The District shall give the Contractor written notice of deductions by providing copies of reports, which summarizes the deficiencies for which the determination was made to assess the deduction in payment for unsatisfactory work.

E.1.6.2 May, at its option, afford the Contractor an opportunity to re-perform the unsatisfactory work within a reasonable period subject to the discretion of the Director/ACCO and at no additional cost to the District.

E.2 TERMINATION FOR CONVENIENCE

Procurement/Agency Chief Contracting Officer determines that a termination is in the Government's best interest.

E.2.2 The Director, Contracts and Procurement/Agency Chief Contracting Officer shall terminate by delivering to the Contractor a Notice of Termination specifying the extent of termination and the effective date. After receipt of a Notice of Termination and, except as directed by the Director, Contracts and Procurement/Agency Chief Contracting Officer, the Contractor shall immediately proceed with the following obligations:

- (a) Stop work as specified in the notice.
- (b) Place no further subcontracts or orders except as necessary to complete the continued portion of the contract.
- (c) Terminate all applicable subcontracts and cancel or divert applicable commitments covering personal services that extend beyond the effective date of termination.
- (d) Assign to DMH, as directed by the Director, Contracts and Procurement/Agency Chief Contracting Officer, all rights, titles, and interests of the Contractor under the subcontracts terminated, in which case DMH shall have the right to settle or pay any termination settlement proposal arising out of those terminations.
- (e) With approval or ratification to the extent required by the Director, Contracts and Procurement/Agency Chief Contracting Officer, settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts; approval or ratification shall be final for purposes of this clause.
- (f) Transfer title, if not already transferred, and, as directed by the Director, Contracts and Procurement/Agency Chief Contracting Officer, deliver to DMH any information and items that, if the contract had been completed, would have been required to be furnished, including (i) materials or equipment produced, in process, or acquired for the work terminated, and (ii) completed or partially completed plans, drawings, and information.
- (g) Complete performance of the work not terminated.
- (h) Take any action that may be necessary for the protection and preservation of property related to this contract.

E.3 TERMINATION FOR DEFAULT

E.3.1 DMH may, subject to the conditions stated below, by written notice of default to the Contractor, terminate this contract in whole or in part if the Contractor fails to:

- (a) Perform the services within the time specified in this contract or any extension; or

RM-11-RFQ-89-BY0-TLW
CONFERENCE HOSTING SERVICES

(b) Make progress so as to endanger performance of this contract; or

(c) Perform any of the other material provisions of this contract.

- E.3.2 DMH's right to terminate this contract may be exercised if the Contractor does not cure such failure within 10 days (or such longer period as authorized in writing by the Contracting Officer) after receipt of the notice to cure from the Contracting Officer specifying the failure.
- E.3.3 If DMH terminates this contract in whole or in part, it may acquire, under the terms and in the manner the Director, Contracts and Procurement/Agency Chief Contracting Officer considers appropriate supplies and services similar to those terminated, and the Contractor shall be liable to DMH for any excess costs for those supplies and services. However, the Contractor shall continue the work not terminated.
- E.3.4 Except for default by Subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include (1) acts of God, (2) fires or floods, (3) strikes, and (4) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the Contractor.
- E.3.5 If the failure to perform is caused by the fault of a subcontractor at any tier, and if the cause of the default is beyond the control of both the Contractor and the Subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the Contractor to meet the required schedule.
- E.3.6 If the contract is terminated for default, DMH may require the Contractor to transfer title and deliver to DMH, as directed by the Director, Contracts and Procurement/Agency Chief Contracting Officer, any completed and partially completed supplies and materials that the Contractor has specifically produced or acquired for the terminated portion of this contract. Upon direction of the Director, Contracts and Procurement/Agency Chief Contracting Officer, the Contractor shall also protect and preserve property in its possession in which CFSA has an interest.
- E.3.7 DMH shall pay the contract price or a portion thereof, for fully or partially completed or delivered supplies and services that are accepted by DMH.
- E.3.8 If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of DMH.
- E.3.9 The rights and remedies of DMH in this clause are in addition to any other rights and remedies provided by law or under this agreement.

E.4 SUSPENSION OF WORK

- E.4.1 The Director, Contracts and Procurement/Agency Chief Contracting Officer may order the Contractor, in writing, to suspend, delay, or interrupt all or any part of the work of this Contract for the period of time that the Director, Contracts and Procurement/Agency Chief Contracting Officer determines appropriate for the convenience of the District. If the performance of all or any part of the work is, for an unreasonable period of time, suspended, delayed or interrupted by an act of the Director, Contracts and Procurement/Agency Chief Contracting Officer in the administration of this Contract, or by the Director, Contracts and Procurement/Agency Chief Contracting Officer's failure to act within the time specified in this Contract (or within a reasonable time if not specified), an adjustment shall be made for any increase in the cost of performance of this Contract (excluding profit) necessarily caused by the unreasonable suspension, delay, or interruption and the Contract modified in writing accordingly.
- E.4.2 No adjustment shall be made under this clause for any suspension, delay, or interruption to the extent that performance would have been so suspended, delayed, or interrupted by any other cause, including the fault or negligence of the Contractor, or for which an equitable adjustment is provided for or excluded under any other term or condition of this Contract.
- E.4.3 A claim under this clause shall not be allowed for any costs incurred more than twenty (20) days before the Contractor shall have notified the Director, Contracts and Procurement/Agency Chief Contracting Officer in writing of the act or failure to act involved (but this requirement shall not apply as to a claim resulting from a suspension order); and unless the claim, in an amount stated, is asserted in writing as soon as practicable after the termination of the suspension, delay, or interruption, but not later than the date of final payment under the Contract.

E.5 STOP WORK ORDER

- E.5.1 The Director, Contracts and Procurement/Agency Chief Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this Contract for a period of ninety (90) days after the order is delivered to the Contractor and for any further period to which the parties may agree.
- E.5.2 The order shall be specifically identified as a stop work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurring of costs allocable to the work covered by the order during the period of work stoppage. Within a period of ninety (90) days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Director, Contracts and Procurement/Agency Chief Contracting Officer shall either cancel the stop-work order; or terminate the work

CONFERENCE HOSTING SERVICES

covered by the order as provided in the Default or Termination for Convenience clauses in the Standard Contract Provisions (Attachment J-1).

- E.5.3 If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Director, Contracts and Procurement Administration/Agency Chief Contracting Officer shall make an equitable adjustment in the delivery schedule or Contract price, or both and the Contract shall be modified, in writing, accordingly.
- E.5.4 If the stop-work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this Contract; and the Contractor asserts its right to the adjustment within thirty (30) days after the end of the period of work stoppage; provided, that, if the Director, Contracts and Procurement/Agency Chief Contracting Officer decides the facts justify the action, the Director, Contracts and Procurement/Agency Chief Contracting Officer may receive and act upon the claim submitted at any time before final payment under this Contract.
- E.5.5 If a stop-work order is not canceled and the work covered by the order is terminated for The convenience of the District, the Director, Contracts and Procurement/Agency Chief Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.
- E.5.6 If a stop-work order is not canceled and the work covered by the order is terminated for default, the Director, Contracts and Procurement/Agency Chief Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

E.6 INSPECTION

- E.6.1 The inspection and acceptance requirements for the resultant Contract shall be governed by the District of Columbia Government's Standard Contract Provisions Clause Number Five (5) - Inspection of Supplies, SCP.1 – 3 and, Clause Number Six (6) - Inspection of Services, SCP. 3- 4 dated March 2007.
