

Frequently Asked Questions (FAQs)

RFA No. RMO RR112219

December 9, 2019

Please contact Orlando Fox at Orlando.fox@dc.gov if you should have any further questions

1. **Question** Can an organization apply for all 16 awards under one proposal or is DBH requesting 16 separate full proposals for each of the 16 awards?

Answer As noted on Page 13 of the RFA, there are two competitions available (see below). Organizations are required to submit at least one (1) proposal for each competition they intend to apply for. Proposals may not exceed the maximum award number/award amount available. For example, a proposal for Competition #1 shall not exceed 11 awards/\$332,244.00. Proposals for Competition #2 shall not exceed 5 awards/\$151,020.00. Organizations interested in applying for both Competition #1 and #2 should submit at least two (2) proposals.

Competition #1: Level I or II Recovery Residences
Maximum awards available: 11
Maximum award amount: \$332,244.00

Competition 2: Opioid Specific Recovery Residences
Maximum awards available: 5
Maximum award amount: \$151,020.00

2. **Question** If DBH is requesting 16 separate proposals for the 16 different awards would there be 16 separate budgets for \$30,204 each required?

Answer An organization must submit a budget with each proposal. If an organization is applying for multiple awards within a competition, one budget may be submitted but shall not exceed the maximum award amount noted on Page 13 of the RFA.

3. **Question** Is there a requirement for an organization's headquarters to be located in the District of Columbia to apply for this award?

Answer No, Organizations who hold a valid District of Columbia business license are eligible to apply. An organization's headquarter location does not impact their eligibility to apply.
