

Bulletin ID: No. 54 - Referral of Consumers to Designated Housing

Based on a recent investigation by the Office of Accountability, the Department of Mental Health asks that you remove any housing leased or operated by Mark Spence from your list of housing referrals.

Further, if you have consumers currently living in any housing leased or operated by Mark Spence, we ask that you contact Ms. Edith Makenta, Director of Housing, on (202) 671-3151 to begin the process of finding alternative housing. If you have questions, please contact Office of Accountability on (202) 673-3530
