- I.13.1** The Cluster Health Services Chief Contracting Officer may order the Contractor, in writing, to suspend, delay, or interrupt all or any part of the work of this Contract for the period of time that the Cluster Health Services Chief Contracting Officer determines appropriate for the convenience of the District. If the performance of all or any part of the work is, for an unreasonable period of time, suspended, delayed or interrupted by an act of the Cluster Health Services Chief Contracting Officer in the administration of this Contract, or by the Cluster Health Services Chief Contracting Officer's failure to act within the time specified in this Contract (or within a reasonable time if not specified), an adjustment shall be made for any increase in the cost of performance of this Contract (excluding profit) necessarily caused by the unreasonable suspension, delay, or interruption and the Contract modified in writing accordingly.

- I.13.2** No adjustment shall be made under this clause for any suspension, delay, or interruption to the extent that performance would have been so suspended, delayed, or interrupted by any other cause, including the fault or negligence of the Contractor, or for which an equitable adjustment is provided for or excluded under any other term or condition of this Contract.

- I.13.3** A claim under this clause shall not be allowed for any costs incurred more than twenty (20) days before the Contractor shall have notified the Cluster Health Services Chief Contracting Officer in writing of the act or failure to act involved (but this requirement shall not apply as to a claim resulting from a suspension order); and unless the claim, in an amount stated, is asserted in writing as soon as practicable after the termination of the suspension, delay, or interruption, but not later than the date of final payment under the Contract.

**I.14** **CONTINUITY OF SERVICES**

- I.14.1** The Contractor recognizes that the services provided under this Task Order are vital to the District of Columbia and must be continued without interruption and that, upon Contract expiration or termination, a successor, either the District Government or another Contractor, at the District's option, shall continue to provide these services. To that end, the Contractor agrees to:

- I.14.1.2** Exercise its best efforts and cooperation to effect an orderly and efficient transition to a successor.
